TO: Public Safety and Welfare Committee

FROM: Kevin Risch, P.E., Assistant City Engineer KKR 4-19-10

SUBJECT: Aldermanic Request to Install No Parking, 8:00am – 5:00pm, Monday – Friday, April 1st to October 31st west Side of 10th Avenue - 5100 block. (District 2)

This request for no parking is to accommodate the boat storage business of Capt. Jim's on a seasonal basis while also providing for some additional on street residential parking for adjacent residents.

A previous trial for removal of 15 min parking has been in place this past winter. This current request will amend that proposal.

Staff has reviewed and recommends a trial to designate the west side of 10th Avenue 5100 block as No Parking, 8:00am – 5:00pm, April 1st to October 31st Monday – Friday Except Holidays.

DATE: December 14, 2009

TO: Public Safety and Welfare Committee

FROM: Kevin Risch, Deputy Director of Engineering KKR 12-11-09

SUBJECT: Aldermanic Request for Remove 15 Min. Parking, 6:00am – 7:00pm, Monday – Friday, west Side of 10th Avenue - 5100 block.

Alderman Moldenhauer is requesting removal of the existing 15 min. parking, 6:00am – 7:00pm, Monday - Friday restriction on the west side of 10th Avenue from 52nd Street north approximately 300 feet.

Area residents are complaining of the lack of street parking. This street also serves as access for the Captain Jim's boat facility.

The short term restriction appears out of date. Staff recommends approval of a trial to remove the 15 Min. restriction on the west side of 10th Avenue from 52nd Street north approximately 300 feet.
