City _____	County _____

Description of Property

- A. Please submit recent color photographs that show all sides of the exterior of the structure, views of the interior of the structure, and any associated outbuildings. The photographs cannot be returned, but will become a permanent part of our site records. Digital images are preferred.
- B. Please draw a simple sketch map of the lot on which the structure is located or provide a recent property survey showing all improvements. Include all structures, streets, and other major features. Photographs of the buildings should be keyed to this sketch.
- C. Has the property been moved from its original site? If so, why, from where, and when?
- D. Explain any way in which the property is presently threatened.

History and Significance of the Property

Why do you think that this property should be listed as a Kenosha Historic site? Please check one or more of the following criteria then briefly, in the space provided below, explain how the property meets the criteria for statements of historical fact. Please indicate your source(s) of information. (Keep in mind that our evaluation may depend solely on the information that you submit; therefore, your sources should be reliable.) You may attach additional pages, if necessary.

- 1) _____ Represents the work of a master
- 2) _____ Possesses high artistic values
- 3) _____ Represents a type, period, or method of construction
- 4) _____ Is associated with the lives of significant persons
- 5) _____ Is associated with significant historical events
- 6) _____ Reflects the history or development of a locality (associated with ethnic groups, industrial development, commercial development, etc)
