KENOSHA – Statement from Kenosha Mayor John Antaramian:

“As we in Kenosha move forward from what has been a challenging year for our city, it is important that we do so mindful of the facts. There is a call for greater accountability and transparency from police and city officials. There must be the same from those who say they speak for the community.

I have shared my ongoing commitment to building a community where all citizens can live equally, safely and freely. In June 2020, we launched the “Kenosha Action Roadmap to Inclusion, Equality and Equity.” https://www.kenosha.org/images/2021DRAFT_-_KARIEE_Feb_2021_.pdf

We believe in this work and will continue our meetings with faith-based leaders and community members.”
