**** Update ****

Early this afternoon, Kenosha Fire Department, located human remains within the debris of the Model Market fire location. Accounting for all of the building's occupants at the time of the fire has been our number one priority. The Kenosha County Medical Examiner has been called to the scene and has taken custody of the person. Positive identification has not been made and will be pending the results of dental record analysis.

The next stage in this investigation will be to determine the origin and cause of the fire. The Kenosha Fire Department remains the lead investigating agency. There is no further information to share at this time.
