PROPOSAL NOTICE #07-22 - REQUEST FOR PROPOSAL TO REMOVE AND DISPOSE OF ASBESTOS CONTAINING MATERIAL, UNIVERSAL WASTE, RAZE STRUCTURE, AND RESTORE LOT AT 812 56TH STREET

ADDENDUM ISSUED: Thursday, July 7, 2022

Please be advised that:

1. Awarded contractor must install and maintain a minimum 6' high chain linked fence surrounding the entire property.
2. As stated in the Detailed Description of Work to be Performed, any soil and (foundry) sand currently on the property must remain on the property.

In addition, any concrete or other building materials in contact with any (foundry) sand must have the (foundry) sand brushed off before said concrete or other building materials are removed from the property.

Finally, any concrete or other building materials that are *horribly* stained from being in contact with (foundry) sand cannot be recycled and must be properly disposed of at a certified landfill.

3. Clean concrete may be crushed on site in accordance with Federal, State and local law, rules and regulations and used as clean fill material with stones not exceeding 3" in diameter.
4. Questions and/or requests for additional inspections of the property can be directed to Zohrab Khaligian at 262-653-4041 or zkhaligian@kenosha.org. Only contractors who attended the mandatory inspection on Thursday, July 7, 2022 may schedule an additional inspection.
5. There are no other changes, clarifications or additions pursuant to these solicitations. Proposal Opening is still Thursday, July 14, 2022 at 2:30pm
