Reminder: The Civil War Museum does not allow walk-ups to participate in living history demonstrations. All presenters must register in advance and complete all paperwork before beginning their programming. Non-registered members of a unit should report to their commanding officer and request permission to be included in the list of participants. The commanding officer will then seek out their Civil War Museum point-of-contact to request the paperwork to include any walk-up participants of that unit. Commanders are responsible for the actions and conduct of their members while on site at the Civil War Museum.

After receiving your application, the Civil War Museum staff will review the information provided and contact the unit commander using either the phone number or email address provided. Upon acceptance and completion of paperwork, our staff will work with your group to schedule a date, time, and location that works to the benefit of both parties.
