

Keep Kenosha Beautiful Commission Agenda November 2nd, 2009

Room 301 in the Municipal Building
12:30pm to 1:30pm

Special Guests:

Cigarette Litter Prevention Campaign:

Nice Job Neighbor: The season is over! Please bring in any stands you may see hanging about. Thank you to Jane and Lynda Guy for their hard work.

Sunny Squads: The last meeting was extremely focused regarding the Sunny process. There are some notes regarding the process that will be attached to the minutes. Read through them and please let Catherine know if she needs to tweak it up or make any changes.

Adopt-a-Spots: The amaryllis bulbs are in and at our office. Please let me know if you are able to meet during the day and help plant. Hopefully we can meet this week. I'm hoping to get them to everyone before Thanksgiving. That way people will have flowers during the Holiday season.

New Business:

December Holiday Meeting: Would we like to have our annual KKB Holiday Pot Luck during our next meeting? (Dec. 7th) We could also have it off-base on Dec. 2 or Dec. 16. We can talk about pros and cons during the meeting.

Volunteer Recruitment for Spring & Early Summer: We will be asked to get volunteers for many projects around the city this coming spring. Here are a few of the projects we will need help with:

- Planting annual beds throughout the city
- Rain gardens at Anderson Field and Columbus Park
- Washington Park/Muni golf course Pike creek restoration
- Native Swale planting in River Crossings Subdivision
- Prairie burn in Peorio Park
- New adopt-a-spots: History Center lighthouse garden, Union Park mosaic pots,
- New garden, tiered landscape where Port of Kenosha sign is located (adopt-a-spot??) native??

This new list will force us to tweak up our adopt-a-spots a bit. Some adopt-a-spots will need to be eliminated to make room for new gardens. This also forces us to have an Adopt-a-Spot guide....we will need our volunteers to committee more than ever in 2010. Any positive motivational ideas would be appreciated. How does KKB ask for more commitment (time) than volunteers already give? How do we motivate them to give more and be happy about it??

Commissioner Resignation: EJ Reiser has resigned from the KKB commission due to a promotion with Northface. He now lives in Cincinnati OH. His dedication and service to KKB will be missed!
