CITIZEN COMMENTS:

- Diana Kanecki, 5700 19<sup>th</sup> Ave. Apt 4, spoke about bus service lines and routes and the need to have those reviewed to help link bus service. She would like the city to consider a wheel trolley and has concerns about the trolley expansion around Library Park.
- Virginia Hokestra, 6209 75<sup>th</sup> Street, spoke about items C-5 and C-6 requiring sidewalks saying if the city lets residents know while they are doing the work it is less expensive to put in sidewalks. It costs more if they are ordered in later.

ALDERMAN COMMENTS:

- Alderman Michalski asked how close the Engineering Division is to filling some open positions.

ADJOURNMENT: *There being no further business to come before the Public Works Committee, it was moved, seconded and unanimously approved to adjourn the meeting at 6:08pm.*
