Michelle,

Thanks for the note.

We were not planning on a fence, but we could barricade the space to define the perimeter if that is requested.

Our application to expand the premises to the KAC was submitted after consulting with Matt Knight and following his direction on what we would need to do to properly serve alcohol in this space.

Thank you for your help through this process and please let us know if you need more information from us.

Michelle,

We will have a defined area in the KAC backyard for our pre-game tailgate parties. This will include several tents, food and beverage service and kids games. Our staff will patrol this perimeter making sure only ticketed guests are allowed to enter the area and ensuring that alcoholic beverages remain within the confines of this picnic area.

Please let me know if additional information is needed.

Thank you.

Michelle,

Thank you for sending along the note.

This area will be used for private parties only and will not be open to the public. This area will only be in use prior to the start of the game.

This area will be patrolled by our usher staff and people must have a ticket to enter the area. Upon entry, guests will show their ticket to Kingfish staff and then those looking to consume alcoholic beverages will be required to show their ID to a licensed bartender. In accordance with ballpark policy, any person wanting to consume alcohol will be carded no matter their age and no one under the age of 21 will be allowed to consume alcohol on the premises under any circumstance. The wristbands for those 21 and over will be a different color than the wristbands distributed to those under the age of 21. Furthermore, these wristbands will randomly rotate throughout the

season. No carry ins will be allowed into the space.

Kingfish staff will monitor the space throughout the entirety of the pre-game picnic and alcohol will not be permitted outside of the pre-game picnic area in the backyard of the Kenosha Achievement Center. Kingfish staff will secure the perimeter to ensure alcohol is kept in this area and will also keep unticketed patrons out of the space.

Please feel free to let us know if you have any further questions.

Thank you.

Licensing and Permit Committee Members and associated parties,

Thank you for your time and feedback last night. We have attached a proposed rendering of the Kenosha Achievement space next to the ballpark for our proposed premise modification. This generally shows the space and how we plan to use barricades and tent walls to secure the space. The exact space may change, but the concept of securing the perimeter and controlling points of entry of the space will not.

I wanted to include a few notes for the rendering:

The space will be barricaded by closed, 30 inch high barricades. These barricades are noted in the yellow lines in the rendering. These barricades may be moved to accommodate the size of specific parties. However, these barricades will remain in place from prior to the start of the event until the conclusion of the event.

The tents, shown in blue, will have sidewalls that will also serve as the perimeter.

There will be two entry points to the space that will be monitored by Kingfish staff. These are marked by the red diamonds. Guests will not be permitted into this area without a ticket.

We have also designated a proposed walkway to lead to the main stadium entry gate. This has not been approved yet, but is something we are considering.

This space will be used for private company and non-profit outings. Tickets will not be available to the public and tickets must be purchased in advance. Each ticketed guest in the area will receive a wristband once permitted entry. Those wishing to consume alcohol will receive a separate wristband after showing ID to a licensed bartender. Guests will not be permitted in the backyard outside of the barricaded area and no alcohol beverages will be allowed outside of the designated space at any time.

Please let me know if you have any further questions and we appreciate you taking the time to review.

Thank you.

Licensing/Permit Committee:

We understand your concern of changing the name of the Class A Beer license to Westown 3 & deferring the decision to 3/30/15.

We could assure you that Westown should be running in April 1, 2015 because that is our goal, but if we have to wait for that meeting, it will not be possible to open on that day because the license will not be issued until April 7, 2015. Also that other applications, bank account, other State licenses ^{and} credit processing ~~and~~ applications must be done before that in order to be fully operating before April 1, 2015.

We were able to close the deal on the Building February 3 this year because some issues arose from the old owners ^{bank} ~~bank~~.

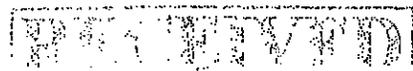

That we could not control. We have been working so hard since that day to get that business ready by April 1.

I am asking that committee to defer ~~that~~ the meeting to March 9, 2015 and re-consider your vote.

Your consideration on this matter is totally appreciated.

To Matt Knight,

My name is John Todryk and I am the Banker that works with Hani.

Recently US Bank did the financing for the Sheridan location. Originally, the deal was structured with a new entity name. After reviewing the transaction I advised the Hani that the best way to structure this deal was as an expansion of the existing business and keeping the name the same. This would make things more streamlined for underwriting purposes.

The end result was we were able to get the financing approved under the existing name.

Any questions please let me know

Planning & Zoning Division 625 52nd Street - Room 308 Kenosha, WI 53140 262.653.4030	Kenosha City Plan Commission FACT SHEET	February 19, 2015	Item 4
Zoning Ordinance by the Mayor - To Create Subsection 18.02 oo. of the Zoning Ordinance to Amend the Bristol Neighborhood Plan as referenced in the Comprehensive Plan for the City of Kenosha: 2035. (North Shore Bank) (District 16) PUBLIC HEARING			

LOCATION/SURROUNDINGS:

Site: Northwest corner of 71st Street and 125th Avenue - Bristol Neighborhood

NOTIFICATIONS/PROCEDURES:

The alderperson of the district, Alderperson Johnson, has been notified. The Common Council is the final review authority.

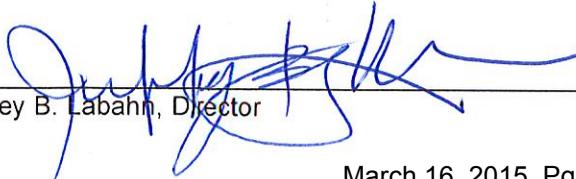

ANALYSIS:

- The Common Council adopted *A Comprehensive Plan for the City of Kenosha: 2035* on April 19, 2010.
- Wisconsin Statutes require the Common Council to adopt an Ordinance for Amendments to the Comprehensive Plan. The *Bristol Neighborhood Plan* is adopted by reference in the Comprehensive Plan.
- The attached Zoning Ordinance references an Amendment to the adopted Bristol Neighborhood Plan. Based on a Concept Plan Review submitted in this area for a multi-family development, Staff has looked at a larger area within the neighborhood and has proposed the following Bristol Neighborhood Plan changes:
 - a. The proposed road connection from 71st Street to 75th Street at approximately 130th Avenue has been eliminated. Much of the area this road would be constructed in is environmental area, such as floodplain and conservancy. The Kenosha Water Utility will still need an Easement for future sewer and water, but the road is proposed to be eliminated.
 - b. 130th Avenue north of 71st Street is proposed to move west to straddle the lot line of the Continental Properties development and the developable site to the west. It made sense to move the road to a point where abutting property owners could share the responsibility of future road construction.
 - c. A small portion of the southwest corner of the Continental Properties development was shown as *Commercial* land use. With the road extension proposed to be removed, the proposal is to show this area as *Multiple-Family Residential* on the Plan.
 - d. Unrelated to the Continental Properties development, in the area of the neighborhood park northwest of the Continental Properties development, the proposal is to remove the designation of *Institutional/Utilities* and replace it with *Open Space/Park*. the original plan had been to set aside room for a future school site, but as the City now plans to develop the whole site as a park, that designation is no longer needed. An extension of 66th Place to the east was also proposed to be removed as the City does not intend to construct that street.

RECOMMENDATION:

A recommendation is made to approve the proposed Zoning Ordinance.

 West: A-2 / Vacant

NOTIFICATIONS/PROCEDURES:

The alderperson of the district, Alderperson Johnson, has been notified. Property owners within 100 feet of the proposed rezoning were notified. The Common Council is the final review authority.

ANALYSIS:

- The owner of the property is requesting to rezone the property from *A-2 Agricultural Land Holding District* to *TRD-2 Traditional Multiple-Family Residential District*. The purpose of the rezoning is to allow for a multi-family rental development of up to 480 units.
- Rezoning of the property to *TRD-2 Multiple-Family Residential District* is compatible with the existing land uses in the area and the Amended Bristol Neighborhood Plan. Per Section 10.05 of the Zoning Ordinance, the development of the property will be required to be consistent with the development plan dated January 21, 2015.
- Prior to development, the applicant will also be required to obtain final approval through a Conditional Use Permit, Land Division and Developer's Agreement. The final development will also be required to be in compliance with the applicable City and State Ordinances, Codes and development standards.
- The Concept Plan shows a total of four hundred eighty (480) multi-family rental units. The density proposed is just under twelve (12) units per acre. The project would be split over two (2) phases with two hundred eighty (280) units developed in Phase I and the remaining two hundred (200) units developed in Phase II.
- The Complex is proposed as a gated community with two (2) gated access points on 71st Street and proposed emergency only access gates to the other roads that may eventually be adjacent to the development site.
- The applicant will be required to construct 71st Street as part of the development. Other roads adjacent to the development will be dedicated and the City will require a cash escrow or other assurance to cover the eventual extension of those roads.
- The proposed exterior materials of the building are stone and cement board siding.
- While the Concept Plan is generally acceptable to City Staff in regards to density, layout and overall design, the following items will require some modification prior to final plan approval.

Zoning Ordinance by the Mayor - To Rezone property located at the northwest corner of 71st Street and 125th Avenue from A-2 Agricultural Land Holding District to TRD-2 Traditional Multiple-Family Residential District in conformance with Section 10.02 of the Zoning Ordinance. (North Shore Bank) (District 16) PUBLIC HEARING

- The temporary cul-de-sac at the west end of the 71st Street extension will need to be moved west into the land shown as Phase II.
- A detailed Phasing Plan will be needed showing what improvements will be completed with each phase.
- Another emergency access must be shown at the north end of the site to future 67th Street.
- Detail on all fencing shall be provided. any fencing along a proposed right-of-way shall be open wrought-iron. Site obscuring fencing will only be allowed along common lot lines.
- The building elevations may need to be modified slightly to meet the design criteria of Chapter 14 of the Zoning Ordinance. There are seven (7) different elements listed for building variation. Two (2) of the elements must be used to gain compliance. The only element that appears to have been met is a change in materials and/or colors in a vertical bay. Additional variation is required and could be as simple as some varied roof pitches.

RECOMMENDATION:

A recommendation is made to approve the rezoning in accordance with Section 10.05 of the Zoning Ordinance.

An Amendment to the City's Adopted *Comprehensive Land Use Plan for the City of Kenosha: 2035* is also required.

The public hearing will be held at the City Plan Commission meeting as follows:

***Thursday, February 19, 2015 at 5:00 p.m.
Municipal Building

Ordinance by the Mayor - To Annex 25.425 acres of Land, more or less, located south of STH 142 and West of I-94 from the Town of Paris to the City of Kenosha. (Zumbrun/State of Wisconsin) (District 16) PUBLIC HEARING			

LOCATION/SURROUNDINGS:

Site: South of 142 and West of I-94

NOTIFICATIONS/PROCEDURES:

The alderperson of the district, Alderperson Johnson, has been notified. This item will be reviewed by the Public Works Committee with final review by the Common Council. Adoption of the Annexation requires a 2/3's vote of the Common Council members present.

ANALYSIS:

- The City has received a unanimous Annexation Petition signed by the owners of land requesting Annexation to the City. The property is currently vacant and consists of 25.425 acres of land.
- The property is located within a City growth area under the Intergovernmental Agreement between the City, Town of Paris and Kenosha County.
- The Annexation Petition has been submitted to the State Department of Administration for review as required by Statute. The State has reviewed and found the Annexation to be in the public interest. City Departments and the Town of Paris have been notified of the Petition.
- The City Plan Commission previously reviewed and approved the Annexation Ordinance, but the State is requiring additional language be added to the Ordinance's legal description. Thus, the City Plan Commission is being asked to review the revised Ordinance.
- The property is contiguous to the City. Per the City Zoning Ordinance, the property will be placed in the Agricultural Land Holding District (A-2). The property is anticipated for industrial use.
- The Sewer Service Agreement is in the process of being amended to include this area. The Annexation is in the public's best interest as sewer and water service are required from the City in order to develop this site.

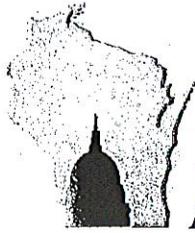

RECOMMENDATION:

A recommendation is made to approve the Annexation.

Subject: ZUMBRUN ANNEXATION

The proposed annexation submitted to our office on January 16, 2015, has been reviewed and found to be in the public interest. In determining whether an annexation is in the public interest, s. 66.0217 (6), Wis. Stats. requires the Department to examine "[t]he shape of the proposed annexation and the homogeneity of the territory with the annexing village or city and any other contiguous village or city..." so as unincorporated land transitions to city or village status, the resulting boundaries are rational and easy for jurisdictions and residents to follow. The subject petition is for territory that is reasonably shaped and contiguous to the **CITY OF KENOSHA**.

Note: In the ordinance that annexes this territory, the territory must be described by metes and bounds commencing from a monumented corner of the 1/4 section in which the territory lies (ref: s. 66.0217 (1) (c), Wis. Stats.).

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of state a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Secretary of State. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. **Please also include the MBR number with your ordinance as this assists with record keeping. Your MBR number is: 13825**
