Re: **Employee Attendance**

Each year at this time we recognize, congratulate, and thank those employees who worked the entire past year without utilizing sick time. We checked our records and found a large number of our employees worked more than one year without missing a day's work due to illness.

We proudly list on the attached sheet the names and number of continuous years of perfect attendance for these very special employees. My **CONGRATULATIONS** and sincere **THANKS** to each of them who accomplished their goal of perfect attendance for one or more years.
