The Meijer Store #284 located at 7701 Green Bay Rd. will operate 24 hours a day, however, the alcohol area/s will be secured during restricted sales hours when not permitted.

CITY OF KENOSHA STATEMENT OF ECONOMIC IMPACT – PAGE THREE

Applicant Name: Meijer Stores Limited Partnership Business Name: Meijer Store #284

Property Information/Address: 7701 Green Bay Road Owner: Meijer Stores Limited Partnership

Meijer is a leading supercenter based in Grand Rapids, Mich. with more than 200 stores and more than 65,000 employees throughout the Midwest. As a multi-billion dollar retailer, we are ranked as the 19th largest privately-held company in the country. We are a respected leader in the competitive retail market, known for our commitment to our core values of customers, competition, family, freshness, and safety and health.

Wisconsin will be the sixth state where we operate. We have confirmed plans to open stores in Kenosha, Grafton, Oak Creek and Wauwatosa in 2015, and we currently own other sites and are under contract in multiple other locations throughout the state. Additionally, we are in constant discussion with numerous communities throughout Wisconsin as we look for future expansion opportunities. Construction of a Meijer supercenter is a large-scaled project that typically takes up to a year and creates jobs through construction, contracting, and ultimately hiring store team members.

Meijer is a pioneer of the “one-stop shopping” concept, featuring more than 600 types of fresh produce, a full-service meat counter, and a bakery that offers fresh bread baked four times daily. Meijer also offers full-service, drive-thru pharmacies, comprehensive apparel departments, garden centers and gas stations. Once completed, the Kenosha store will employ close to 300 team members and an additional 15 to 20 team members at the gas station.

An integral part of this model is to ensure long term viability of the business and its contributions to the community. The strength of the anchor, in this case, Meijer, helps elevate property values by attracting other retailers and restaurants. As redevelopment occurs, it increases property tax revenue and provides additional offerings for the community’s residents. The business will not only increase property values of areas surrounding the Meijer store, but also throughout the city’s economy.

The issuance of an alcohol license to the Meijer store gas station referenced above will benefit the city of Kenosha, the surrounding areas, and city’s overall economy in the following ways:

- It will bring additional revenue and taxes to the city of Kenosha. Our building, standards and history will attract customers to our location over the competition located outside the city. The convenience of one-stop shopping, including alcohol, will generate additional sales, creating a destination for customers. In doing so, we can continue to support, and ultimately give back to, the community through such charitable opportunities to the local food pantry and other area nonprofit organizations.
- Meijer gas stations are an extension of the main store. The size of the Meijer store should have a positive impact due to the product selection, ease of parking, convenience of the big box, along with the added benefit of a Convenience Store/Gas Station. When Meijer builds, other businesses gain as well through additional competition, which is to the consumers’ advantage. The

construction of a Meijer store also leads to additional businesses on the out-lots of the Meijer property.

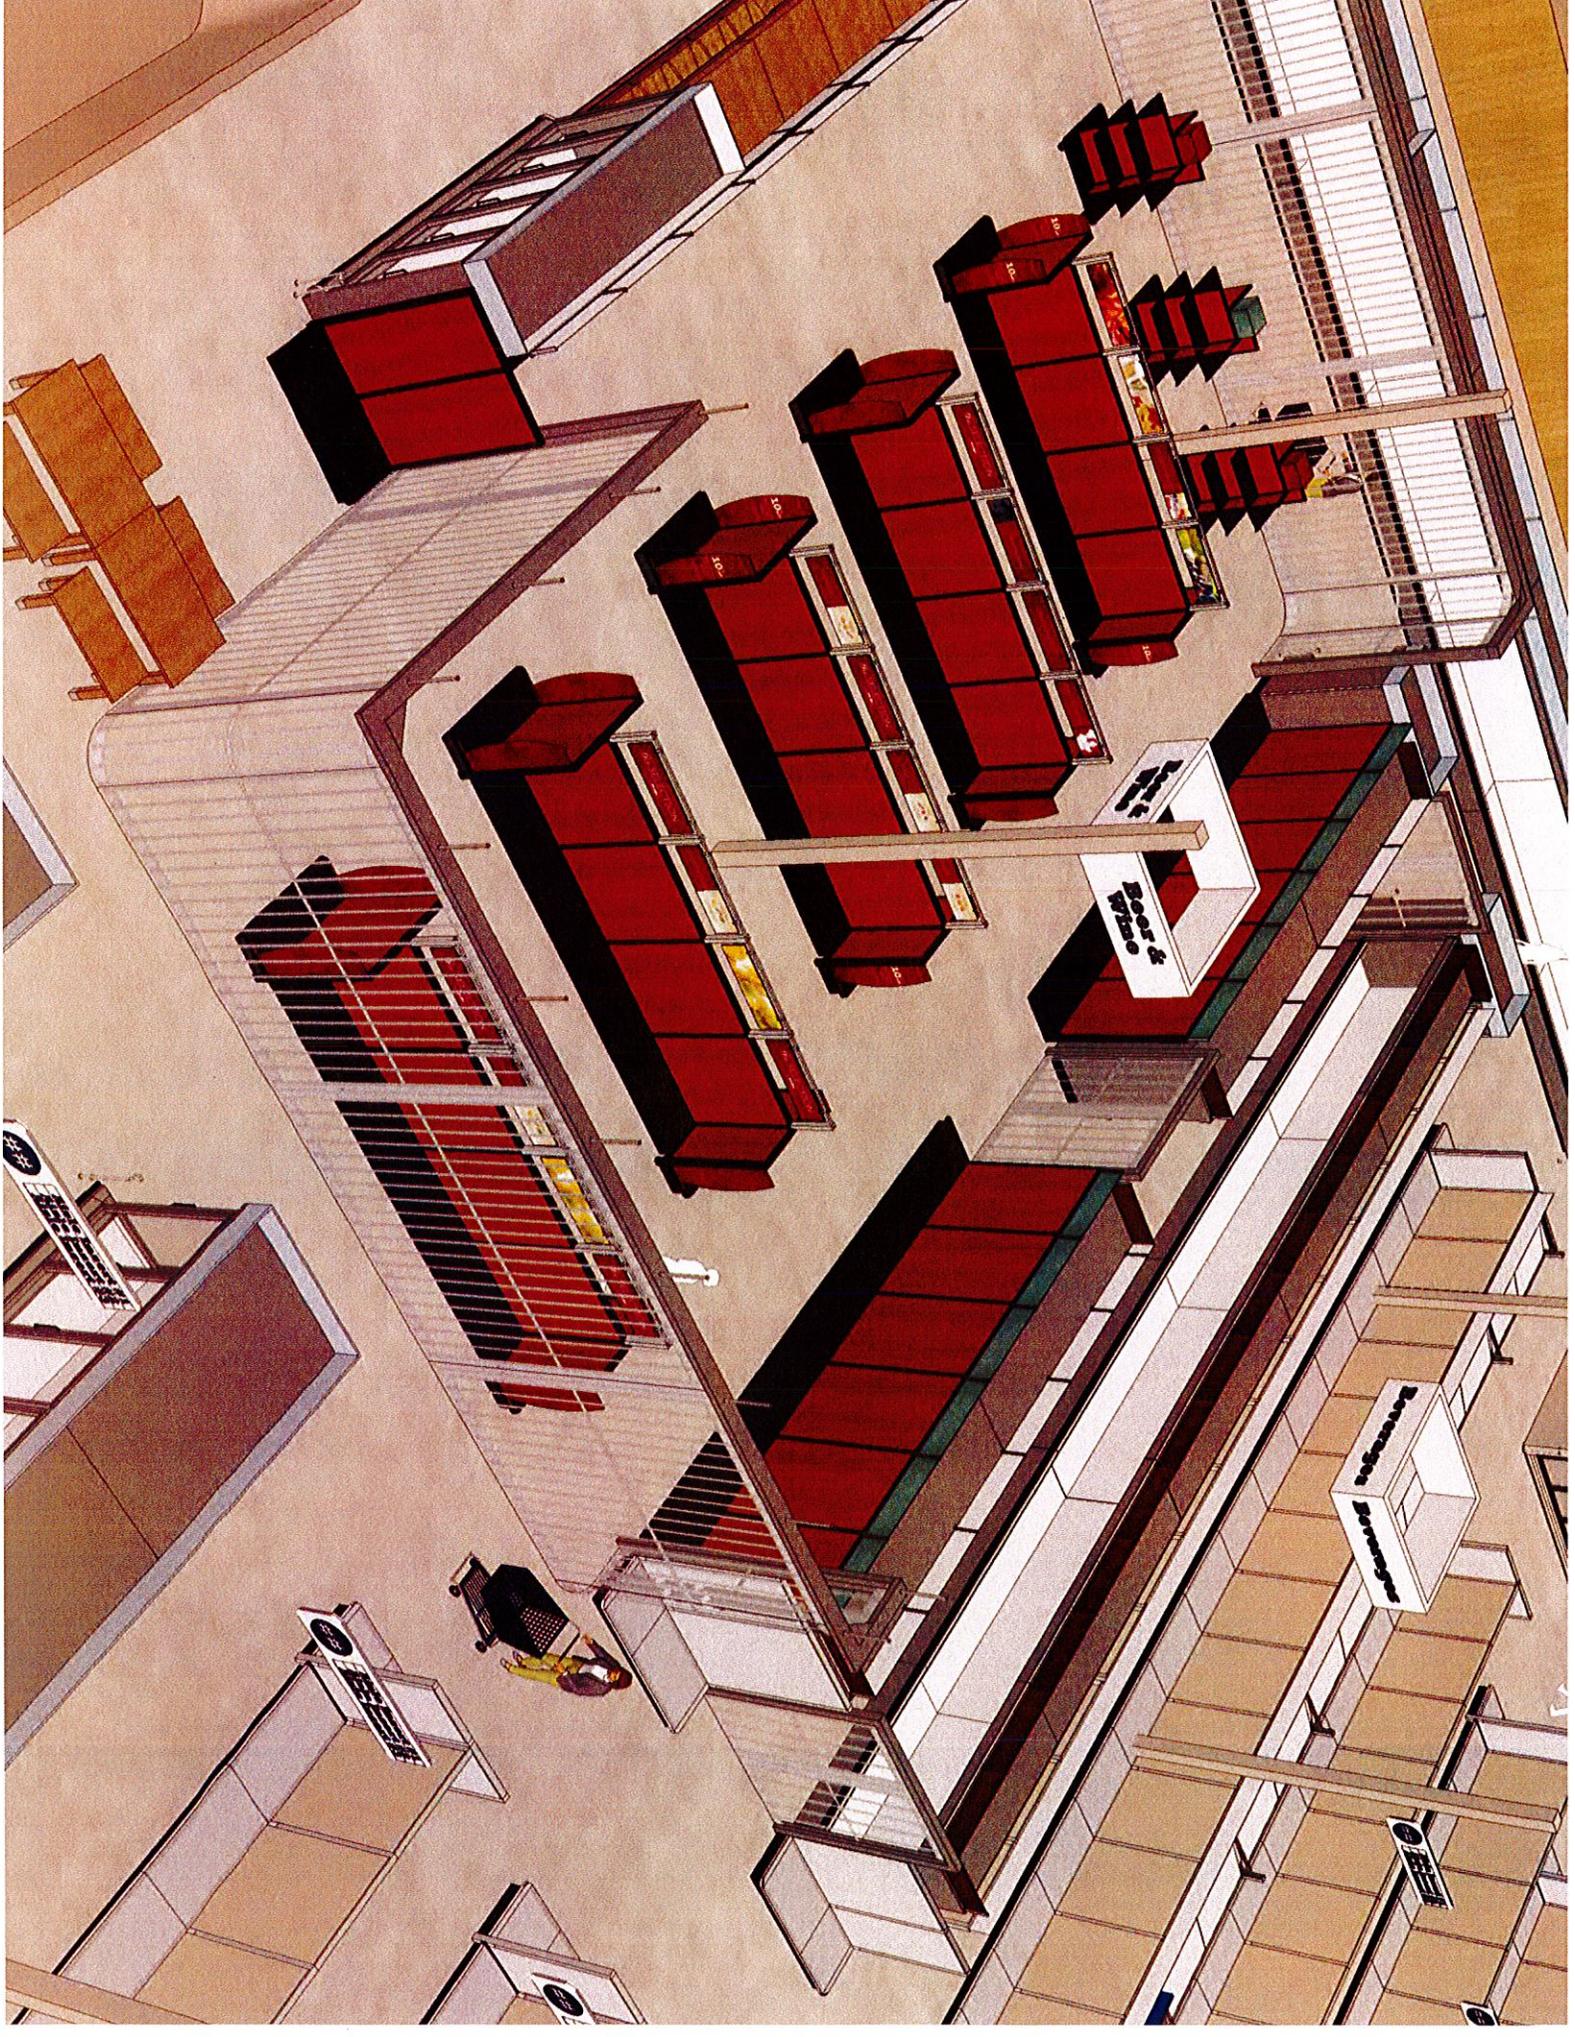

- Meijer gas stations round out a complete shopping experience by offering convenience to shoppers, travelers, employees and the surrounding areas.

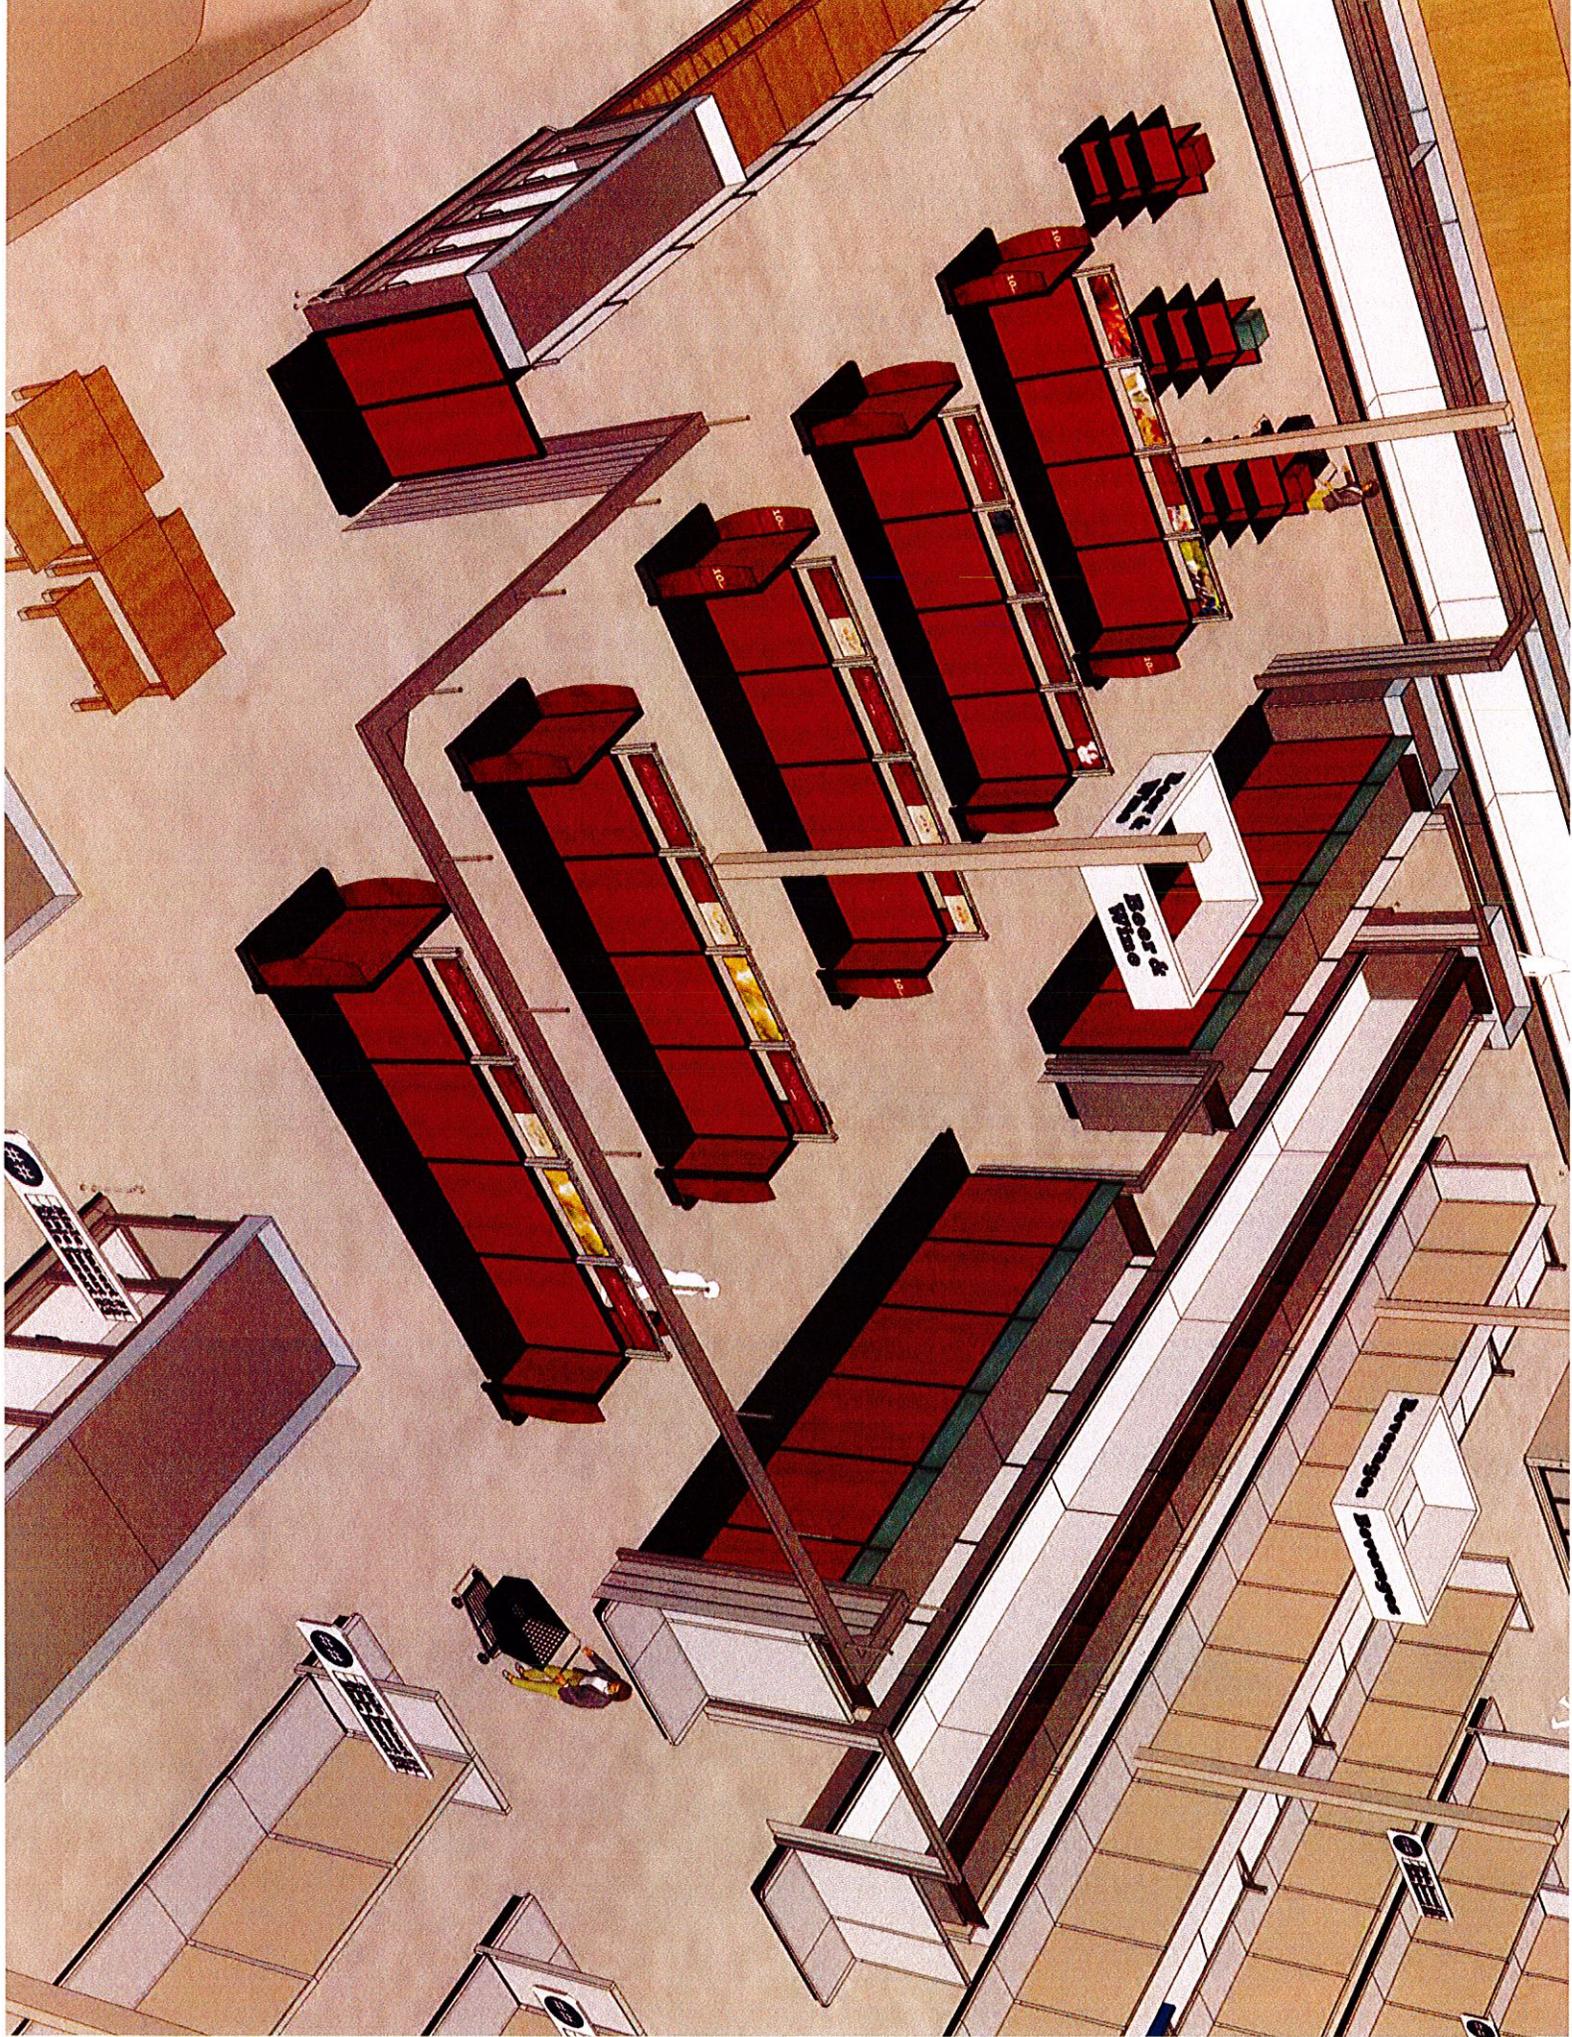

As mentioned previously, supporting the communities where its customers and team members live and work is part of the Meijer philosophy. That is why Meijer donates more than 6 percent of its net profit to charitable organizations each year. Meijer has a long-standing commitment to helping fight hunger in the Midwest. The hallmark of the Meijer hunger relief efforts is its *Simply Give* program, which has helped neighborhood food pantries in the communities we serve keep their shelves stocked. This signature program has generated nearly \$14 million since November 2008, thanks to the continued generosity and support of our customers, team members and food pantry partners who are committed to helping feed hungry families in our local areas.

We are an Equal Opportunity Employer, fostering a diverse and inclusive workplace, committed to treating all persons with dignity and respect. As part of our commitment, it is our policy to treat all applicants for employment and team members equally without regard to race, color, national origin, religion, sex, age, disability, sexual orientation, gender expression or identity, or any other lawfully-protected classification.

As a good corporate citizen, we have and always will take compliance with alcohol laws seriously. We intend to observe all state laws and local ordinances regarding alcohol sales including, but not limited to, age restrictions, restricted sales times, and restricted sales areas through the use of programmable cash registers that have been customized to be compliant to such laws and ordinances. In addition to self-regulation, we have an internal alcohol policy that includes disciplinary actions, including the potential for termination, for failure to comply with our policies and procedures. As part of that policy, we provide current and consistent computer-based training to our team members regarding proper procedures to follow for alcohol sales. We also maintain constant interaction with the many commissions and agencies covering the sale of alcoholic beverages for the jurisdictions in which we operate.

We understand it is a privilege to be able to provide our customers with such a highly-regulated product, but we have exhibited that understanding and execution in the other communities where Meijer stores are located and intend to do the same in Kenosha.

CITY OF KENOSHA STATEMENT OF ECONOMIC IMPACT:

#5

The Meijer Gas Station #284 located at 7735 Green Bay Rd. will operate 24 hours a day, however, the alcohol area/s will be secured during restricted sales hours when not permitted.

CITY OF KENOSHA STATEMENT OF ECONOMIC IMPACT – PAGE THREE

Applicant Name: Meijer Stores Limited Partnership Business Name: Meijer Gas Station #284

Property Information/Address: 7735 Green Bay Road Owner: Meijer Stores Limited Partnership

Meijer is a leading supercenter based in Grand Rapids, Mich. with more than 200 stores and more than 65,000 employees throughout the Midwest. As a multi-billion dollar retailer, we are ranked as the 19th largest privately-held company in the country. We are a respected leader in the competitive retail market, known for our commitment to our core values of customers, competition, family, freshness, and safety and health.

Wisconsin will be the sixth state where we operate. We have confirmed plans to open stores in Kenosha, Grafton, Oak Creek and Wauwatosa in 2015, and we currently own other sites and are under contract in multiple other locations throughout the state. Additionally, we are in constant discussion with numerous communities throughout Wisconsin as we look for future expansion opportunities. Construction of a Meijer supercenter is a large-scaled project that typically takes up to a year and creates jobs through construction, contracting, and ultimately hiring store team members.

Meijer is a pioneer of the “one-stop shopping” concept, featuring more than 600 types of fresh produce, a full-service meat counter, and a bakery that offers fresh bread baked four times daily. Meijer also offers full-service, drive-thru pharmacies, comprehensive apparel departments, garden centers and gas stations. Once completed, the Kenosha store will employ close to 300 team members and an additional 15 to 20 team members at the gas station.

An integral part of this model is to ensure long term viability of the business and its contributions to the community. The strength of the anchor, in this case, Meijer, helps elevate property values by attracting other retailers and restaurants. As redevelopment occurs, it increases property tax revenue and provides additional offerings for the community’s residents. The business will not only increase property values of areas surrounding the Meijer store, but also throughout the city’s economy.

The issuance of an alcohol license to the Meijer store gas station referenced above will benefit the city of Kenosha, the surrounding areas, and city’s overall economy in the following ways:

- It will bring additional revenue and taxes to the city of Kenosha. Our building, standards and history will attract customers to our location over the competition located outside the city. The convenience of one-stop shopping, including alcohol, will generate additional sales, creating a destination for customers. In doing so, we can continue to support, and ultimately give back to, the community through such charitable opportunities to the local food pantry and other area nonprofit organizations.
- Meijer gas stations are an extension of the main store. The size of the Meijer store should have a positive impact due to the product selection, ease of parking, convenience of the big box, along with the added benefit of a Convenience Store/Gas Station. When Meijer builds, other businesses gain as well through additional competition, which is to the consumers’ advantage. The

construction of a Meijer store also leads to additional businesses on the out-lots of the Meijer property.

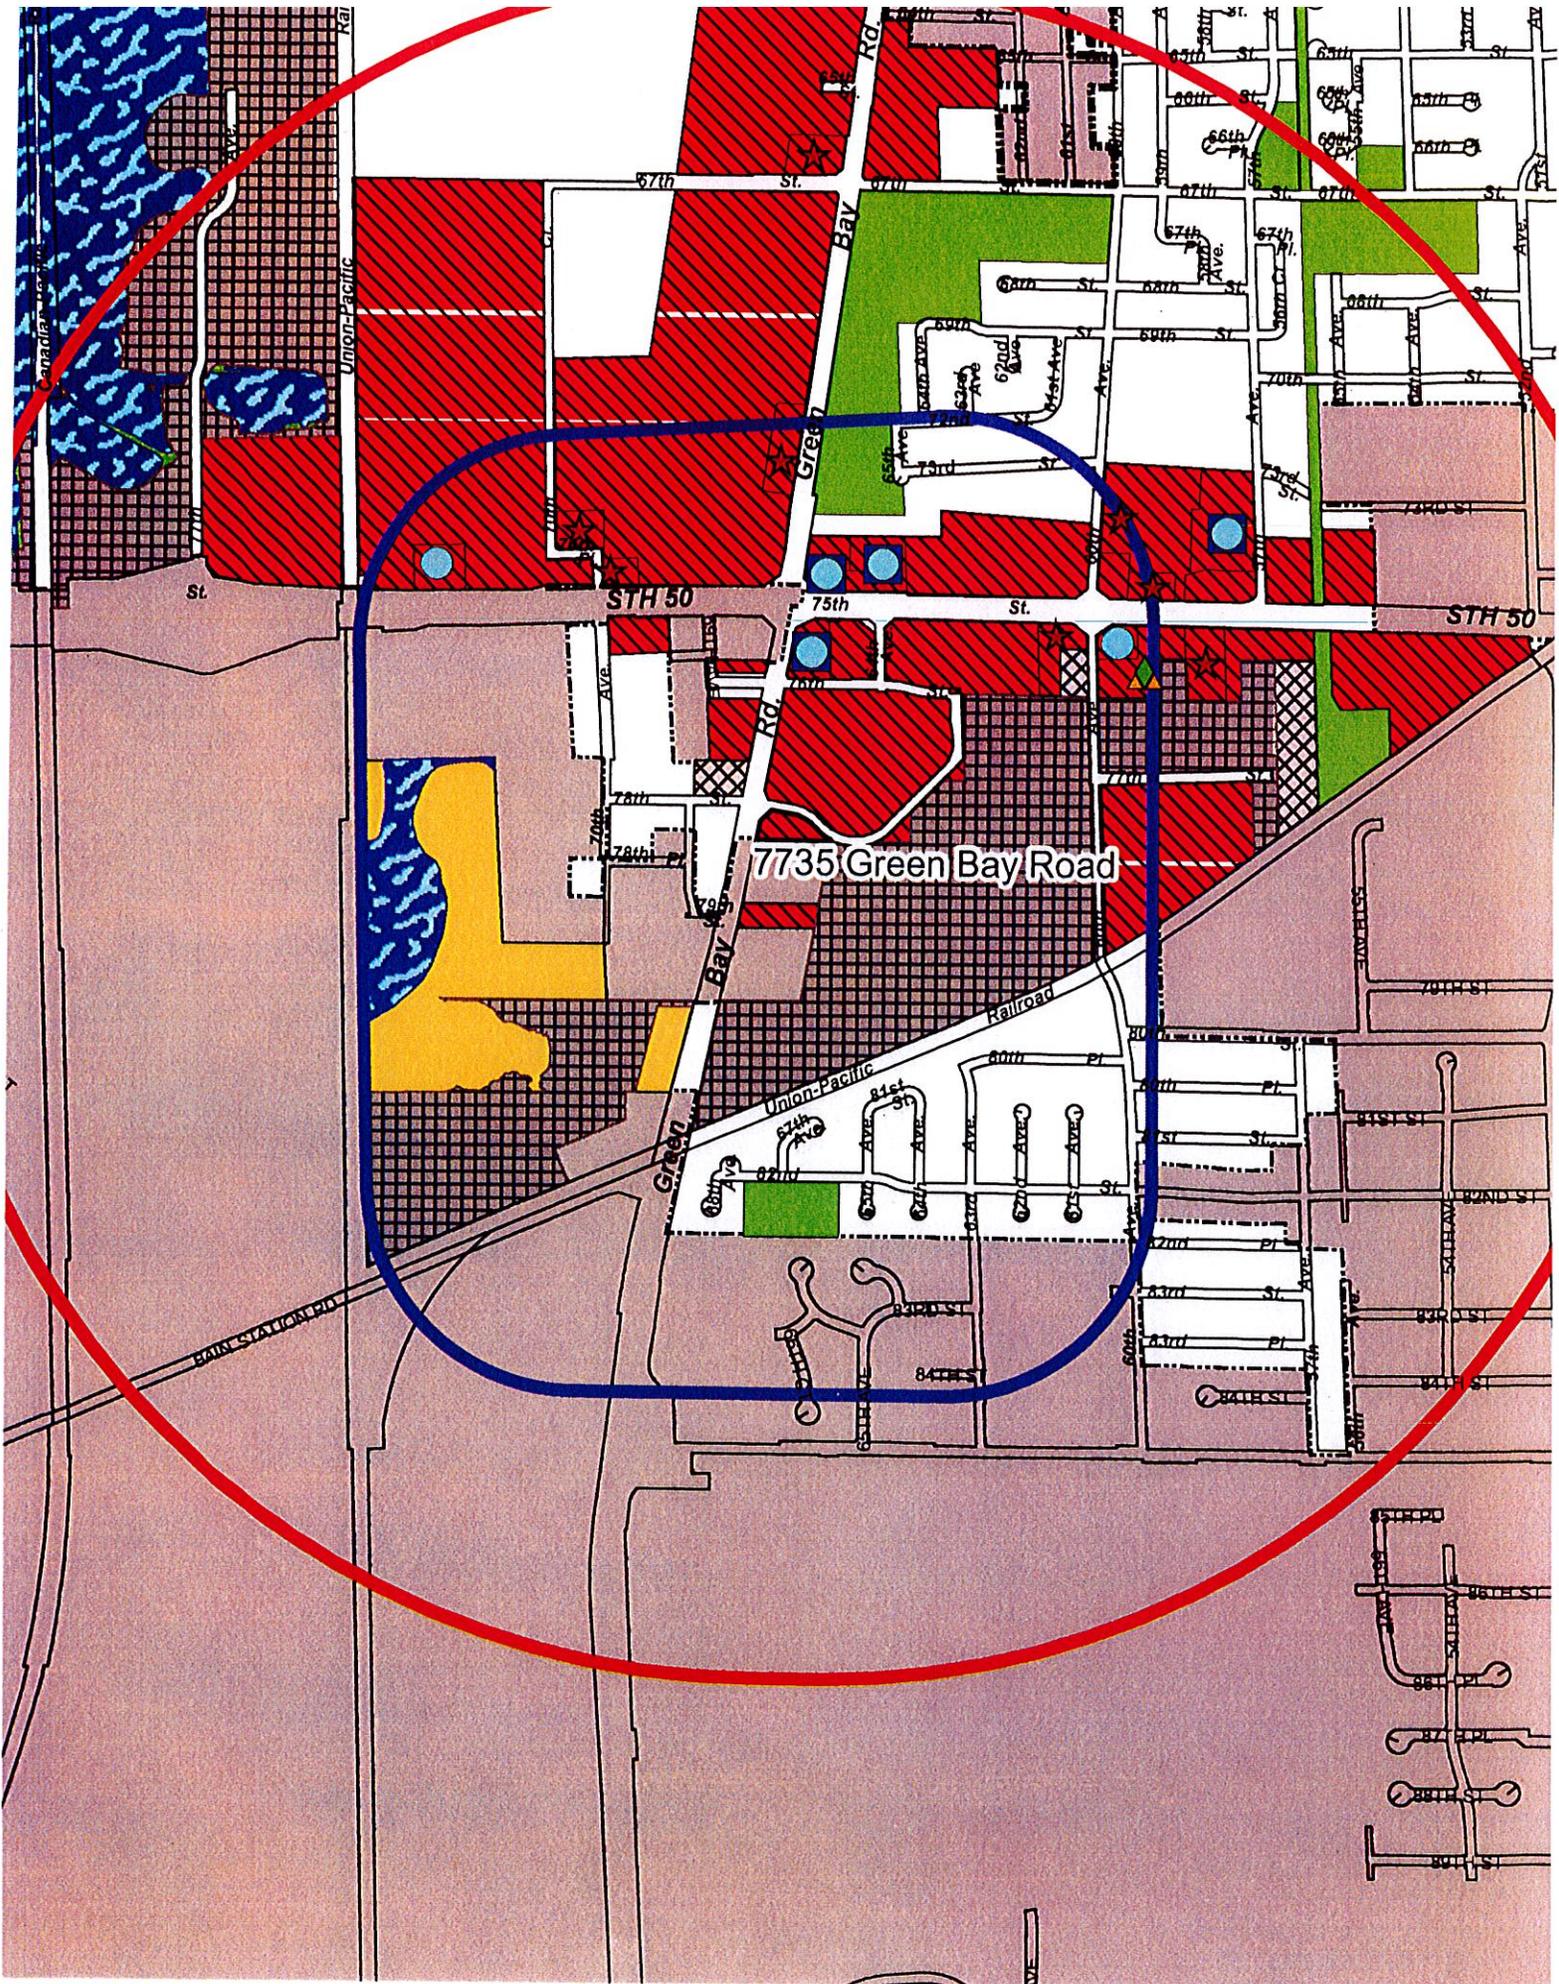

- Meijer gas stations round out a complete shopping experience by offering convenience to shoppers, travelers, employees and the surrounding areas.

As mentioned previously, supporting the communities where its customers and team members live and work is part of the Meijer philosophy. That is why Meijer donates more than 6 percent of its net profit to charitable organizations each year. Meijer has a long-standing commitment to helping fight hunger in the Midwest. The hallmark of the Meijer hunger relief efforts is its *Simply Give* program, which has helped neighborhood food pantries in the communities we serve keep their shelves stocked. This signature program has generated nearly \$14 million since November 2008, thanks to the continued generosity and support of our customers, team members and food pantry partners who are committed to helping feed hungry families in our local areas.

We are an Equal Opportunity Employer, fostering a diverse and inclusive workplace, committed to treating all persons with dignity and respect. As part of our commitment, it is our policy to treat all applicants for employment and team members equally without regard to race, color, national origin, religion, sex, age, disability, sexual orientation, gender expression or identity, or any other lawfully-protected classification.

As a good corporate citizen, we have and always will take compliance with alcohol laws seriously. We intend to observe all state laws and local ordinances regarding alcohol sales including, but not limited to, age restrictions, restricted sales times, and restricted sales areas through the use of programmable cash registers that have been customized to be compliant to such laws and ordinances. In addition to self-regulation, we have an internal alcohol policy that includes disciplinary actions, including the potential for termination, for failure to comply with our policies and procedures. As part of that policy, we provide current and consistent computer-based training to our team members regarding proper procedures to follow for alcohol sales. We also maintain constant interaction with the many commissions and agencies covering the sale of alcoholic beverages for the jurisdictions in which we operate.

We understand it is a privilege to be able to provide our customers with such a highly-regulated product, but we have exhibited that understanding and execution in the other communities where Meijer stores are located and intend to do the same in Kenosha.
