Re: Letter of Reference - Michael Stewart

Dear

I am writing on behalf of Michael Stewart as his personal reference.

I have had the distinct pleasure of knowing Mr. Stewart for the past twenty five years. Mr. Stewart is a good man who like many of us has learned from his past experiences and mistakes along the way.

I would like to share in his positive traits. Those who have been confronted with hardships (self induced or otherwise) and rise from the ashes to better themselves is truly a better person than someone who's never had challenges in life. I believe I understand people, what it takes in individuals to succeed, and the goodness we need in humanity to sustain a proud America. Michael leads with fairness, communicates with compassion, relates with humor, and gives 100% to all his personal endeavors. I look forward to seeing the future success he has in life. Please strongly consider Michael Stewart license request.

I can be reached by phone for any further questions at my work (262) 605-6861, or my cell (262) 960-3750.

Respectfully,

To whom it may concern,

This letter is written to inform You that I know Michael Stewart since 2015 when he starts working in the company Dublin Contractors. I'm the leading foreman there for the last 10 years. Michael Stewart starts working with me on a big job we did at this time. He showed me he is hard working person. Never been late even he was always 15 minutes earlier, especially he was driving from Kenosha, usually 1 hour or more from the job site. Never had problem with Michael doing whatever it was assigned to him. Always he was willing to learn new things.

I would recommend him for a job he is applying. I can be reached directly at (414) 324-6422 if You have any questions.

Sincerely,

Attention: Licensing and Permit Committee

Dear Committee Members:

It is my pleasure to recommend Michael Stewart for the license he seeks. As a lifelong resident of Kenosha and “as the crow flies” neighbor of Michael’s grandparents, I was acquainted with Michael’s entire family for decades. His uncle and mother attended Whittier Grade School, as did I.

When I was a teacher assistant at Lance Junior High I made Michael’s acquaintance and we developed a mutually respectful and warm relationship within the structure of the learning environment. He was always bright, intelligent, pleasant and a real pleasure to engage with academically. It was a delightful surprise to learn that he was the son of a little girl I referred to as Little Peggy in our elementary school days. In addition, I was an invited guest at his grandparents’ home and attended his birthday party on another occasion.

It is my considered opinion that Michael Stewart is a capable, honest, intelligent, kind and mature young man who would add a positive dimension to the employment he seeks. He deserves to be given the opportunity.

As a personal aside, I think he turned into a wonderful young man anyone would be proud to call friend.

Yours truly,

Heather Bothe

To whom it may concern,

My name is Juliet Villar Federico, and Michael Stewart is my fiancée. I've been engaged to him for about two years, and we both love each other very much. He has been a good father and provider to my children, Bea and Jastine, and loves them like his own. He has helped my family as well, and has sent money and gifts to help me and my children, and my family, too.

In Christmas 2014, he sent a huge box of toys and candy for my children and for their cousins who live in the same house, and his mother sent handmade Christmas stockings for our tree. Over the summer last year, he also paid for a new roof for our home in Peñaranda, and has been paying for Jastine and Bea's schooling at a Montessori school.

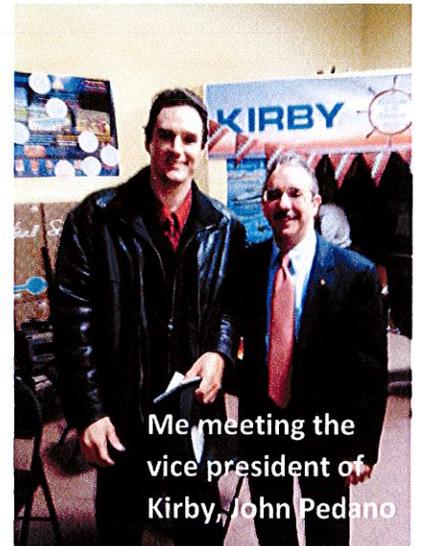

I know Michael to be a trustworthy, compassionate person, and we are all looking forward to the day when we can finally be together. I know he has struggled to find a job because of his background, and I know that he does not take his jobs lightly. He told me he has a better chance of making more money as a cab driver as we depend on that income for the attorneys for my immigration so he needs that license so he can work.

Thank you for your time.

Zoning Ordinance by the Mayor - To Rezone Property at 3308 Washington Road from RS-1 Single Family Residential District to IP Institutional Park District (in conformance with Section 10.02 of the Zoning Ordinance). (County of Kenosha) (District 6) PUBLIC HEARING

NOTIFICATIONS AND APPROVAL REQUIREMENTS:

Alderson Paff, District 6, has been notified. Property owners within 100 feet of the proposed rezoning were notified. The Common Council is the final review authority.

LOCATION AND ANALYSIS:

Site: 3308 Washington Road

Vicinity Zoning/Land Use

North: Institutional Park District
South: B-2 Community Business District/Jantz Auto Sales/Commercial
East: RS-1 Single-Family Residential District/Single-family home
West: IP Institutional Park/Brookside Care Center

1. The property owner, Kenosha County, is requesting to rezone the property from *RS-1 Single-Family Residential District* to *IP Institutional Park District*. The purpose of the rezoning is to permit the construction of a storage building and additional parking for Brookside Care Center.
2. Rezoning of the property to *IP Institutional Park District* is not consistent with the adopted Comprehensive Plan for the City of Kenosha: 2035, which designates this site as *Government and Institutional* and *Isolated Natural Resource Area* District. However, the *Isolated Natural Resource Area* designation was based off outdated information. This property no longer falls within the environmentally sensitive boundary. An Amendment to that plan is required for the City to approve the Rezoning.
3. The development of the property will have to be consistent with all City, State and Federal Ordinances and Regulations. Any new business in the building would be required to obtain an Occupancy Permit and possibly a Conditional Use Permit depending on the use.

RECOMMENDATION:

A recommendation is made to approve the rezoning in accordance with Section 10.05 of the Zoning Ordinance.

RE: **Second Amendment to Community Housing Development Organization Agreement through the HOME Investment Partnerships Program by and between the City of Kenosha, Wisconsin and Habitat for Humanity of Kenosha, Inc.**

DATE: March 30, 2016

Attached is an Amendment to the Community Housing Development Organization Agreement for the City of Kenosha and Habitat for Humanity of Kenosha, Inc.

Community Housing Development Organizations (CHDO's) are private non-profit organizations that meet a series of qualifications on the HOME Program regulations. CHDO's are also able to receive money to produce affordable housing units, as well as to offer financial assistance to buyers of HOME-assisted units produced by the CHDO. CHDO's are able to receive HOME CHDO Set-aside funds as well as CHDO Operating funds provided that they produce affordable housing units and are certified by the City. HOME Program regulations restrict a minimum of 15% of the City's HOME Program allocations each year as CHDO Set-aside funds.

Under the existing Agreement, Habitat for Humanity has completed two (2) new single-family homes and is currently constructing a third new home. The third home will utilize the majority of the existing funding. Currently, the City is required to commit its 2014 funds to eligible projects by May 31, 2016.

The attached Agreement proposes to fund Habitat for Humanity with an additional \$338,326.86 of CHDO Set-aside funds to construct and/or rehabilitate affordable housing units. Additionally, the City would provide up to an additional \$18,927.40 (5% of the FY 2016 HOME allocation) to assist Habitat for Humanity with its operating expenses.

Habitat for Humanity will be required to submit plans for new construction with City Staff. Each project will require a separate CHDO Project Agreement prior to use of the CHDO Set-aside funds.

The approval of the attached Agreement with Habitat for Humanity will allow the City to reserve the CHDO funds by the City's May 31, 2016 deadline.
