Alderperson LaMacchia spoke again; Alderperson David Bogdala, 7101 96th Avenue, spoke; Chairperson Haugaard passed the gavel to ask questions. The motion was then seconded by Alderperson Michalski. Motion to defer for two weeks passed 4-2 with Alderperson Jenkins and Alderperson Bostrom voting no.
6. Resolution by the Finance Committee – To Levy a Special Charge Upon Certain Parcels of Land Within the City of Kenosha Pursuant to §5.11F. of the Code of General Ordinances, Entitled “Sidewalks and Alleys to be Kept Clean by Responsible Party Emergency Enforcement” (Snow Removal from Sidewalks) – If Invoices Therefor Are Not Paid Within Thirty (30) Days of Issuance. (referred to Finance)
It was moved by Alderperson Gordon, seconded by Alderperson Jenkins to approve. Motion passed 6-0.
7. Resolution by Finance Committee – Resolution to Levy Special Assessments Against Benefited Property Based Upon Final Construction Costs Respecting Improvements in the Right-Of-Way (Sidewalks and/or Driveway Approaches) for Project 15-1208 Sidewalk & Curb/Gutter Program. (All Districts) (referred to Finance)
It was moved by Alderperson Gordon, seconded by Alderperson Michalski to approve. Motion passed 6-0.

ALDERPERSONS' COMMENTS

ADJOURNMENT – *There being no further business to come before the Public Works Committee, it was moved, seconded and unanimously approved to adjourn the meeting at 6:24 PM.*

SHELLY BILLINGSLEY, MBA, PE
 Director of Public Works
 City Engineer

Date: April 20, 2016

To: Chairperson David F. Bogdala
 Public Works Committee

Aldersperson Jack Rose
 (District 15)

Brian Massie
 R & R Automotive
 6930 39th Avenue
 Kenosha, WI 53142

From: Shelly Billingsley, MBA, P.E.
 Director of Public Works / City Engineer

Subject: **Request from R&R Automotive (6930 39th Avenue) to pave the lawn park area on the 70th Street side. (District 15)(Staff Recommends Denial)**

BACKGROUND INFORMATION:

It was brought to the attention of Public Works Engineering Staff that R & R Automotive at 6930 39th Avenue had paved the lawn park area adjacent to their two 70th Street driveway approaches. Pursuant to City of Kenosha General Ordinance 5.051 on Lawn Park Areas:

"The Committee on Public Works may grant an exception, upon the petition of the abutting property owner, to the required improvements so as to permit the paving or other treatment of a lawn park area. In considering an application from an abutting property owner for an exception the Committee on Public Works shall consider issues relating to lawn park maintenance and street access to premises. The application may be granted in full or in part and may be conditioned upon trees or other plantings being installed in accordance with a plan approved by the City Forester. Petitions for exceptions are to be granted only for a good cause."

This lawn park area was paved without an exception being granted from the Committee on Public Works, and R & R Automotive failed to obtain a Street Opening / Occupancy permit through the Department of Public Works. Pursuant to City of Kenosha General Ordinance 5.04 on Streets, Alleys, and Sidewalks:

"1. Permit Required. No person shall make or cause be made any excavation in, or raise or lower the surface of any street, highway or part thereof above or below the established grade, or interfere with the surface or soil of any street or part thereof in any matter whatever, within the City of Kenosha, without first obtaining a permit therefor.

2. Application and Permit. Application shall be made to and the Permit shall be issued by the Director of Public Works, upon such a condition and agreement as he (or she) shall impose to insure that the work be done according to good engineering practice, that the public safety be procured, and the street be properly restored.

3. Fee. A fee for a Street Opening Permit shall be made payable to the City of Kenosha prior to the issuance of the permit. The Common Council will, from time to time, by Resolution, establish the permit fee. Should any work be commenced prior to the issuance of a permit, the fee shall increase to five (5) times the amount of the fee established by the Common Council by Resolution."

As the work at R & R Automotive commenced prior to the issuance of a permit, the permit fee of \$50 shall increase to \$250.

In addition to paving the lawn park area, R & R Automotive altered certain site improvements on their property in violation of their Conditional Use permit dated September 27, 2007. Two (2) required curbed, landscaped islands were removed and replaced with at-grade concrete on the south side of their site. Another curbed, landscaped island was removed and replaced with at-grade concrete on the northeast corner of the site. A copy of the notice from the Department of Community Development and Inspections going over the additional violations and the Conditional Use permit for R & R Automotive are attached for your reference.

Upon inspection of the site on April 14, 2016, Public Works Engineering Staff found that R & R Automotive is using the paved parkway and paved landscaped areas to park additional vehicles in violation of their Conditional Use permit. Figures 1 and 2 show that in addition to violating the Conditional Use permit, R & R Automotive is parking vehicles on the newly paved lawn park area in violation of City of Kenosha General Ordinance 7.04 on Parking Regulations – Hazard:

"No operator of any vehicle shall park or stop or leave standing such vehicle on any street or highway or public way in the City of Kenosha, except in obedience to traffic regulations, signs or signals, whether such vehicle is occupied or not in that portion of a street or highway between the curb lines and the adjacent property."

The paved areas on their lot in conjunction with the paved lawn park area allow R & R Automotive to park vehicles perpendicular to 70th Street after the vehicles hop the curb head. This is in violation of City of Kenosha General Ordinance 5.08 on Parking Facilities which requires that parking facilities be designed where no parking stall is located so as to require a vehicle, upon exiting, to back into any public right-of-way.

City of Kenosha, 625 52nd Street, Room 305, Kenosha, Wisconsin 53140 | T: 262.653.4050 | sbillingsley@kenosha.org

KENOSHA.ORG

R & R Automotive had previously requested to pave the lawn park area on their 39th Avenue frontage and was denied by the Public Works Committee.

R & R Automotive submitted the attached letter and photos requesting to keep their paved lawn park area adjacent to their two 70th Street driveway approaches. The location of the paved area is shown on Attachment 1.

RECOMMENDATION:

Public Works Engineering Staff recommends denial of the request to keep the paved lawn park area on the 70th Street frontage adjacent to R & R Automotive at 6930 39th Avenue. R&R Automotive is in violation of the following Ordinances from the City of Kenosha Code of General Ordinances:

- Ordinance 5.051 on Lawn Park Areas – As R & R Automotive paved lawn park area without an exception being granted from the Committee on Public Works.
- Ordinance 5.04 on Streets, Alleys, and Sidewalks – As R & R Automotive made an excavation in the established grade and interfered with the existing soil on 70th Street without first applying for a permit to do so through the Department of Public Works.
- Ordinance 7.04 on Parking Restrictions – Hazard – As shown in Figures 1 and 2, R & R Automotive is parking vehicles in that portion of the street between the curb lines and the adjacent sidewalk.
- Ordinance 5.08 on Parking Facilities – As shown in Figures 1 and 2 R & R Automotive now parking vehicles in location so as to require those vehicles, upon exiting, to back into public right-of-way.

In order to park vehicles as shown in Figures 1 & 2, R & R Automotive altered certain site improvements in violation of their Conditional Use Permit dated September 27, 2007. R & R Automotive paved formerly curbed-off, landscaped areas in addition to the lawn park area to drive over the curb and park vehicles on the lawn park and on their property in violation to the City Ordinances listed above.

Upon denial of the request, Staff recommends that R & R Automotive be granted ten (10) days to remove the paved lawn park areas and replace them with topsoil, and sod or seed.

R & R Automotive should also be required to submit a Street Opening / Occupancy Permit for all work conducted within City right-of-way and pay five (5) times the permit fee, equal to \$250.

Kenosha , WI 53140

I am respectfully requesting that the one lawn park area abutting 70th St in front of 6930 39th Ave, continue to be concrete. This area has been concrete probably since the building was erected. When the 70th St road work was done , the concrete was taken out and dirt and grass was laid down. Since that the water does not drain out of that area, and it turns into a big unappealing mess. As does the other area to the west of the driveway, which was also concrete until that project was done. I have added a photo to show what that looks like. And a photo of the concrete park way.

City of Kenosha Ordinance 5.051 on lawn park areas states in paragraph B Purpose. The purpose of this Ordinance is to encourage a natural and aesthetically pleasing environment. I understand that concrete is not natural , but in my opinion, looks much better than mud pit caused by the rain water not draining off.

If approved I will even adhere outdoor carpet to the area to make it appear to be grass, and maintain it that way.

Sincerely,

Brain Massie

Paved Lawn Park Area R & R Automotive – 6930 39th Avenue

Kenosha, WI 53142

Dear Mr. Massie:

RE: Conditional Use Permit Compliance for R & R Automotive at 6930 39th Avenue

It has come to the City's attention that you have altered certain site improvements on your property at 6930 39th Avenue in violation of your Conditional Use permit approval dated September 27, 2007. Two (2) required curbed landscaped islands were removed and replaced with at-grade concrete on the south side of your site. Another curbed landscaped island was removed and replaced with at-grade concrete on the northeast corner of the site. Any Amendments to the site require approval by the Review Authority prior to any site work occurring.

You are hereby ordered to replace the curbed areas on the site and landscape the areas per the approved plan by no later than Monday, June 13, 2016. You are responsible for obtaining any applicable permits related to the site work necessary to restore the site to the approved plan.

If you wish to Amend your Conditional Use Permit plans, you may submit an Amendment request, with all applicable plans and fees, to my attention.

Failure to comply with the Conditional Use Permit plans by June 13, 2016 will result in the assessment of reinspection fees (to the property owner) in accordance with Section(s) 11.01 of the Zoning Ordinance. The amount of the reinspection fee starts at \$72.00 and escalates with each reinspection, up to a maximum fee of \$360.00 per inspection. These charges, if not paid within thirty (30) days of billing, will be added to the real estate tax bill for this property as a Special Charge, along with an administrative fee of \$100.00. No further Notice or Order shall be necessary for any "recurring violation" committed by a person within any one (1) year period. The City also reserves the right to issue daily citations and/or revoke the Conditional Use Permit if compliance is not achieved in a timely manner.

If you have any questions, please contact me at 262.653.4049 or via email at bwilke@kenosha.org.

Sincerely,

Brian R. Wilke
Development Coordinator

RESOLUTION NO. _____

BY: COMMITTEE ON PUBLIC WORKS

**TO ORDER THE COST OF PUBLIC SIDEWALK
AND/OR DRIVEWAY APPROACH CONSTRUCTION
AND/OR REPLACEMENT TO BE SPECIALLY
ASSESSED TO ABUTTING PROPERTY**

WHEREAS, on the **2nd day of May, 2016**, the Common Council of the City of Kenosha, Wisconsin, held a properly noticed Public Hearing and heard all persons wishing to be heard regarding public sidewalk and/or driveway approach construction, and/or replacement, at the cost of owners of parcels of property listed in a report on file in the Office of the Department of Public Works for the City of Kenosha, Wisconsin, which abut the following Streets:

(39th Avenue – 45th Street to 52nd Street, 45th Street – 39th Avenue to Pershing Blvd)

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Kenosha, Wisconsin, that pursuant to the authority of Section 5.05 of the Code of General Ordinances, and Section 66.0627, Wisconsin Statutes:

1. The owner of each parcel described on file may have the sidewalk and driveway approach abutting said parcel constructed, repaired or replaced (“Work”) prior to the start of work on their block, upon obtaining a proper permit under Chapter 5 of the Code of General Ordinances.

2. If the owner fails to complete such Work within the time specified, the Common Council shall cause the Work to be done at the expense of the property owner by contract let to the lowest responsible bidder, and the Work will be paid for by

assessing the cost of the Work to the benefited property. Invoices for said Work will be sent out after the first of the year following Work being completed. If the cost of Work is under One Hundred (\$100.00) Dollars, it shall be paid in its entirety within thirty (30) days of receipt of invoice. If the cost of Work is over One Hundred (\$100.00) Dollars, it may be paid in its entirety within thirty (30) days of receipt of invoice, and if not so paid, placed on the tax roll for a period of three (3) years at an interest rate of seven and one-half (7.5%) per annum. If not paid within the period fixed, such a delinquent special charge shall become a lien as provided in Section 66.0703(13), Wisconsin Statutes, as of the date of such delinquency, and shall automatically be extended upon the current or next tax roll as a delinquent tax against the property and all proceedings in relation to the collection, return and sale of property for delinquent real estate taxes shall apply to such special charge.

3. The Director of Public Works shall serve a copy of this Resolution on each property owner by publishing the same in the official newspaper, together with a mailing by first class mail to the owner, if their post office address is known or can be ascertained with reasonable diligence.

Adopted this 2nd day of May, 2016.

APPROVED:

JOHN M. ANTARAMIAN, MAYOR

ATTEST:

DEBRA L. SALAS, CITY CLERK/TREASURER

To: David F. Bogdala, Chairperson, Public Works Committee

From: Shelly Billingsley, MBA, PE *Shelly Billingsley*
Director of Public Works

CC: John Prijic, Street Superintendent

Subject: Ordinance by Alderperson Rocco J. LaMacchia, Sr.; Co-Sponsor:
Alderperson David Bogdala – To Repeal and Recreate Paragraph 7.06 A.
and Paragraph 7.06 B.2. (of the Code of General Ordinances) Regarding
Parking Restrictions

BACKGROUND INFORMATION

Alderperson LaMacchia requested that Public Works Engineering staff look into the impact of switching the end date of paragraph 7.06 A (of the Code of General Ordinances) from March 31st to the last day of February through the number of plow runs and signs this may affect. Staff current estimate is that six signs are installed in the right-of-way that reference paragraph 7.06 A. The cost to amend these signs to update the end date would be minimal as the Sign Shop has the capability to cut letters and cover up the March 31st date on each sign. Staff estimates the cost to be approximately \$500 including time and materials.

Staff has also found that in the past five years there have been 16 snow plow events (just over three events per year) that would have been effected by the proposed change. However, if the changes are instituted and there is a snow event less than 4 inches the snow plow drivers may not be able to clear a roadway unless one side of the street doesn't have parking as many roadways are too narrow to accommodate two parked cars and a plow. This becomes even more difficult if opposing traffic is added to the mix. This means that some city streets may not be plowed if the roadway is too narrow to safely pass through the neighborhood. If this Ordinance is passed the expectation of the citizens will need to be changed to know that if they are on a street where parking on both sides does not allow for the passage of a snow plow that their road may go unplowed if between 2 to 4-inches.

It has been mentioned in prior meetings, that staff could in those events call a Snow Emergency. Staff calls Snow Emergencies when they are absolutely needed (current policy is

greater than 4-inches) since Snow Emergencies do have an impact on residents who in turn have to move their cars. This is especially inconvenient to those properties that do not otherwise have off road parking.

Staff also took a look at how this change may impact the City's street sweeping program. When the weather allows, the Stormwater Utility crews try to get the city streets swept so that some of the debris collected during the winter months can be swept from the streets while alternate side parking is still in effect. This is one of the few months that the tons collected per vehicle is the highest and therefore has the most value to the City and therefore the alternate side parking during March does have positive environmental effects on our local rivers and lakes. If this is passed the expectation of the citizens will need to be changed as well to know that without having alternate side parking during the month of March when weather allows our crews may not be able to get a head start on ensuring the roadways are as clean as possible.

RECOMMENDATION

Staff recommends denial based on the analysis that staff has completed.

ORDINANCE NO.

SPONSOR: ALDERPERSON ROCCO J. LaMACCHIA, SR.
CO-SPONSORS: ALDERPERSON DAVID BOGDALA

TO REPEAL AND RECREATE PARAGRAPH 7.06 A. AND PARAGRAPH 7.06 B. 2. OF THE CODE OF GENERAL ORDINANCES REGARDING PARKING RESTRICTIONS

The Common Council of the City of Kenosha, Wisconsin, do ordain as follows:

Section One: Paragraph 7.06 A. of the General Code of Ordinances for the City of

Kenosha, Wisconsin, is hereby repealed and recreated as follows:

A. No owner or operator of any motor vehicle, motor vehicle trailer, semitrailer or mobile home, except an emergency vehicle engaged in emergency services, shall park, suffer, allow or permit the same to be parked on any street or highway within the City from December First (1st) through ~~March Thirty-first (31st)~~ **the last day of February** between the hours of 1:00 A.M. and 6:00 A.M., except as follows:

Section Two: Paragraph 7.06 B. 2. of the General Code of Ordinances for the City of

Kenosha, Wisconsin, is hereby repealed and recreated as follows:

2. Subsection 7.06 A. shall not apply to those streets that have any parking restrictions between 1:00 A.M. and 8:00 A. M. on one side of the street. On a street that has any parking restrictions between 1:00A.M. and 8:00 A.M. on one side of the street, no owner or operator of any motor vehicle, motor vehicle trailer, semitrailer or mobile home, except an emergency vehicle engaged in emergency services, may park, suffer, allow or permit the same to be parked on that side of the street having such parking restrictions, from December First (1st) through ~~March Thirty-first (31st)~~ **the last day of February** between the hours of 1:00 A.M. and 6:00 A.M.

Section Three: This Ordinance shall become effective upon passage and publication.

SHELLY BILLINGSLEY, MBA, PE
Director of Public Works

April 28, 2016

To: David F. Bogdala, Chairperson, Public Works Committee
Jesse Downing, Chairperson, Stormwater Utility Committee

From: Shelly Billingsley, MBA, PE
Director of Public Works *Shelly Billingsley*

Subject: Project: 15-1016 39th Avenue Resurfacing
Location: 39th Avenue – 45th Street to 52nd Street, 45th Street – 39th Avenue to Pershing Blvd

The Department of Public Works, Engineering Division has opened bids for the above referenced project. Engineer's Estimate was \$1,000,000.00. Budget amount is \$1,200,000.00 for resurfacing and \$100,000.00 for storm sewer.

This project consists of milling, removing and replacing storm sewer inlets, removing and replacing storm sewer pipe, removing and replacing storm sewer manholes, removing and replacing damaged concrete curb and gutter, removing and replacing damaged concrete sidewalks and curb ramps, rubblizing concrete pavement, adjusting inlets and utility manholes, installing vehicle detection systems, pavement markings, resurfacing with hot mixed asphalt, site restoration, and construction staking curb and gutter.

Following is the list of bidders:

	Payne & Dolan, Inc.
Resurfacing Base Bid	\$867,369.75
Storm Sewer Base Bid	\$94,811.00
Alternate I – Pavement Markings	\$98,806.00
Alternate II – Radar Sensor System	\$29,880.02
Alternate III – Restoration Sod	\$12,027.50

It is recommended that this contract be awarded to Payne & Dolan, Inc., Kenosha, Wisconsin for a total award amount of \$1,213,000.00 (\$1,109,000.00 Resurfacing + \$104,000.00 Storm Water). The bid is broken down as follows: resurfacing amount of \$867,369.75 (awarding Alternate III reduces the amount of the resurfacing base bid from \$888,425.73 to \$867,369.75 due to deduct items), plus Alternate I in the amount of \$98,806.00, plus Alternate II in the amount of \$29,880.02 and Alternate III in the amount of \$12,027.50 for a total of \$1,008,083.27 plus \$100,916.83 in contingency for unforeseen conditions (if needed) for a resurfacing total of \$1,109,000.00, funding is from CIP Line Item IN-12-004; storm sewer bid of \$94,811.00 plus \$9,189.00 in contingency for unforeseen conditions (if needed) for a storm sewer total of \$104,000.00, funding is from CIP Line Item SW-13-002.

Daniel Prozanski, Jr., Chairperson, Finance Committee

From: Shelly Billingsley, MBA, PE *S. Billingsley*
Director of Public Works

Subject: Project: 16-1417 Tree Removal
Location: Citywide

The Department of Public Works, Engineering Division has opened bids for the above referenced project. Budget amount is \$300,000.00.

This project consists of removal of parkway trees and associated parkway restoration. Tree removal includes stump removal and cleanup.

The parkway restoration specification shall now be four inches of pulverized topsoil instead of fill dirt which staff feels will correct prior complaints received and those concerns raised by residents.

Following is the list of bidders:

Contractor	
Clean Cut Tree Service, Inc., Grayslake, IL	\$298,000.00

It is recommended that this contract be awarded to Clean Cut Tree Service, Inc., Grayslake, Illinois, for the amount of \$298,000.00. This is a quantities and unit cost contract. Actual work will be adjusted to commensurate with available funding and will not exceed the awarded amount. Funding is from CIP Line Item PK-93-004.

Subject: Approval of Emergency Vehicle Pre-emption (EVP) System Agreements between the City of Kenosha and the Wisconsin Department of Transportation.
(IH-94 Northbound Ramps & STH 142) (Staff Recommends Approval)

BACKGROUND INFORMATION:

Staff is working with the Wisconsin Department of Transportation (WisDOT) to install Emergency Vehicle Pre-emption (EVP) on all WisDOT maintained traffic signals within the Kenosha Fire Department's jurisdiction. The WisDOT signal at the intersection of Interstate Highway 94 and STH 142 are being updated and WisDOT has approached the City and asked if we would like to add EVP to this intersection.

WisDOT will install and maintain infrared EVP equipment at all intersections and the City will install and maintain GPS EVP equipment at all intersections. Funding is available in the Capital Improvement Plan Project Number OT-09-006.

RECOMMENDATION:

Staff recommends approval of the EVP system agreements with WisDOT, and authorize the Director of Public Works to execute the agreements.

ATTN: MR. CHASE KUFFEL
625 52ND STREET, ROOM 305
KENOSHA, WI 53140

Subject: I.D. 0663-22-62
EVP Request – Kenosha County
Location: IH -94 Northbound Ramps & STH 142

Dear Mr. Kuffel:

This letter is in response to your request for Emergency Vehicle Pre-emption (EVP) at the state maintained traffic signal located at the IH -94 NB Ramps & STH 142 . The Wisconsin Department of Transportation will provide all infrared EVP traffic signal equipment necessary and the City of Kenosha will provide all GPS equipment necessary. The Department Electrical Personnel will be performing the final inspection and making final connections of the EVP equipment in the traffic signal cabinet.

The EVP equipment will be installed under Project I.D. 0663-22-62, per your request. The City of Kenosha is responsible for and will be billed for all EVP traffic signal material, equipment, and labor costs incurred by the Department associated with installing any portion of the EVP system in accordance with our Traffic Guidelines Manual (TGM) 4-2-20.

Enclosed please find two copies of the Emergency Vehicle Pre-emption System Agreement for the intersection stated above. Please review the agreements and, if conditions are satisfactory, sign and date the two copies and return them at your earliest convenience. One fully executed original of the agreement will be returned to you.

If there are any questions, please feel free to contact me at (262) 548-8736.

Sincerely,

A handwritten signature in cursive script that reads "David A. Brantner".

Enclosure(s)

WISCONSIN DEPARTMENT OF TRANSPORTATION

Emergency Vehicle Pre-emption (EVP) System Agreement

This is a binding agreement between the Wisconsin Department of Transportation and the

CITY OF KENOSHA

This agreement stipulates the terms and conditions for use of Emergency Vehicle Pre-emption (EVP) systems at the state-owned traffic control signal located at the intersection of

I4-94 NORTHBOUND RAMPS AND STH 142

in the CITY of KENOSHA

Description of route: NORTHBOUND, EASTBOUND, AND WESTBOUND

Listing of estimated number of vehicles to be outfitted: 32 FIRE DEPARTMENT VEHICLES

Inventory of spare EVP equipment shall be provided by WisDOT/Local Agency.

The Department's Policy for Use of Emergency Vehicle Pre-emption (EVP) Systems at State-Owned Traffic Control Signals is hereby made a part of this agreement (copy attached). The following special terms or conditions also apply to this agreement:

RESOLUTION NO. _____

BY: COMMITTEE ON PUBLIC WORKS

**PRELIMINARY RESOLUTION DECLARING INTENT TO LEVY ASSESSMENTS
FOR
SIDEWALK AND/OR DRIVEWAY APPROACHES**

PROJECT #16-1018 7th Avenue Resurfacing

WHEREAS, it is expedient, necessary and in the best interest of the City of Kenosha, and for benefit of the property affected thereby that improvements in street right-of-ways: sidewalk and/or driveway approaches.

(7th Avenue – 65th Street to 68th Street)

NOW, THEREFORE, BE IT RESOLVED, By the Common Council of Kenosha, Wisconsin:

1. The Common Council hereby declares its intention to exercise its police power under Section 66.0703, Wisconsin Statutes, to levy special assessments on all property fronting upon both sides of the street within the above limits for benefits conferred upon property by improvement of the streets enumerated above.

2. Said public improvement shall include the improvements in street right-of-ways: sidewalk and/or driveway approaches.

3. The Common Council determines that the improvements constitute an exercise of the police power and the amount assessed against each parcel shall be based on a per front foot or per square foot rate.

4. The assessments against any parcel may be paid in a lump sum or in three (3) annual installments, at the election of the property owner.

5. The Board of Public Works is directed to prepare a report consisting of:

- a. Preliminary plans and specifications for said improvements.
- b. An estimate of entire cost of the proposed improvements and in

street right-of-way.

c. Schedule of proposed assessments.

6. Upon receiving the report of the Board of Public Works (Public Works Committee), the Clerk is directed to give notice of public hearings on such report, as specified in Section 66.0703 of the Wisconsin Statutes. The hearings shall be held at the Municipal Office Building at a time set by the Clerk, in accordance with Section 66.0703, Wisconsin Statutes.

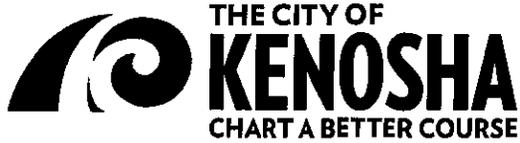

Adopted this 21st day of March, 2016.

APPROVED:

MAYOR
KEITH G. BOSMAN
