Chief John Morrissey

1000 - 55th Street
Kenosha, WI 53140

Dear Chief Morrissey,

I am writing to inform you that my official retirement date from the Kenosha Police Department will be May 31, 2010. My last working day will be May 28, 2010. I am requesting a payout of outstanding vacation and comp time accrued and not used. I also wish to purchase my duty weapon for \$1.00.

The decision to retire has been a difficult one to make. After much thought and deliberation, I know in my heart that it is the right time for me. I have run the gamut from Patrol officer to a "Chief" candidate. My career has taken me places I otherwise would never have gone. The people that I have met and the experiences that I have shared have become permanently sealed in my memory. The 25 years of my career have afforded me professional and personal development. I have given my best to this department and am proud of my accomplishments. It is now time for personal goals and my continuing journey as an individual. I leave with fond memories of "family" and the strength that we project as we stand together as one. This does not just happen. It is the honesty, integrity and compassion of people like you, who are not afraid to take the chance and think out of the box when status quo just doesn't work anymore. You have initiated a forward moving theme and I feel fortunate to have been a part of it. Thank you for listening and allowing me to be me.

Sincerely,

A handwritten signature in black ink that reads 'Captain Kristine Fonk'. The signature is written in a cursive style.

Dear Chief Morrissey,

I would like to take the time to inform you my official retirement date from the KPD will be May 31, 2010. I would like to request a payout of outstanding vacation, comp and Holiday accrued and not used. I also wish to purchase my duty weapon for \$1.00, as well as keep my families Health Benefits.

This has not been easy for me, as the KPD has been very large part of my life. I truly enjoyed the "ride". I know 25 years seems like a long time, but for me it seems like just yesterday I was training you, WOW! I have enjoyed working for the KPD and I am proud to say I was a part of the "family". I have worked with so many professional men and women here and I am fortunate for that opportunity. Even when morale was said to be low, the men and women never let it stop them from doing an excellent job, and that says a lot to the entire KPD. I really will miss working here and doing a job that I have enjoyed, and I thank you for allowing me to do the job.

Thank You.
