Hi Jodi,
I just spoke with Moose and he said he will stop into your office today or tomorrow. If he does, can you let me know if it's a yes or no from your office. His application needs to go to council on Monday in order to have the event, but once I hear from you guys then I still need to get approval from City Attorney also.

Thanks!

I have not been given a formal request from the Kenosha Moose. This gentleman has inquired about having this tournament at Lincoln Park the past couple of years but has never followed through. I would have to move somethings around on my schedule to fit him in but am hesitating to do so until I know he is actually going to have this tournament at Lincoln Park. So no, at this point he is not on my schedule.
