Applicant Name (GIGHIVE Inc.) Business Name GIGHIVE Independent ARTISTS

Property Information: Address 616 S 9th ST Owner Daimar Apts. LTD

7. Explain how the issuance of this license will benefit the City: See attached document

8. Explain why the business will have a substantial positive impact upon the surrounding properties:

9. Explain why the business have a significant, positive influence on the City economy:

10. Has the applicant contacted the alderperson of the district where this business is located?

11. List other factors the Common Council should consider:

Applicant's Signature 

7. Explain how the issuance of the license will benefit the city?

The GiGhive brand will coexist as a symbiotic entity with relationships between independent music artists and the organization; one promoting the other while further advancing both brands e.g. university sponsoring its athletes education in exchange for the athlete being the ambassador to the organization while excelling in his or her athletic field.

The primary responsibility of the GiGhive brand is to align itself with local sponsors, businesses, municipalities, schools/colleges/universities, advertisers, venues and music festivals. We want to create valuable resources for artists who can find it very difficult to attain on their own.

The issuance of the license benefits the city by helping to generate revenue for a business whose primary purpose is to support the growth of independent music in Kenosha and its surrounding communities.

8. Explain why the business will have a substantial impact upon the surrounding properties.

The GiGhive brand is essentially developing a network, brick and mortar infrastructure and web portal that will recognize and promote some of the worlds top independent music brands.

The Venue has to set the stage. Not only do we have to establish trust between artists that live in the locale, but we have to build the same type of relationships with the people in our community, local government and the businesses that reside in the city.

The Venue has to become the standard in Kenosha, Wisconsin. We can't expect to lure the top brands when our own brand is lacking.

9. Explain why the business will have a significant, positive influence on the City economy.

GiGhive's Inc. Ultimate Vision

To be the organization (IANMA – Independent Artist Network for the Music Arts) governing body and infrastructure that sets the guidelines, standards and rules for independent music artists and independent music professionals. We are artists, musicians, singers, songwriters, producers, engineers, music bloggers/writers, D Js, videographers, management, designers, dancers, venues, stores and business owners. Similar organizations e.g. NFL, NCAA, ASCAP, Olympics, Actors Guild/SAG-AFTRA etc;

Kenosha's proximity to Milwaukee and Chicago makes it an ideal location to draw on talent here and in all its surrounding communities. Independent artists searching for the

dream in music communities such as Nashville, New York, Los Angeles etc; shouldn't have to venture from home, when we have all the raw materials to make the magic happen here. The fans, the talent, the professionals, venues, Summerfest, Taste of Wisconsin, Country Thunder etc;

10. Has the applicant contacted the alderperson of the district where this business is located?

Not as of yet, but will once the application is submitted to the city

11. List other factors the Common Council should consider.

The final decision to apply for a beer and wine license didn't come into play until after I started the GiGhive business plan. Because of the standards I am trying to set with the brand, the selling of alcohol didn't mesh well with my vision.

Over time and after many discussions, with friends, family, SBA officials, business owners and city officials, I was persuaded that the selling of alcohol responsibly and providing quality entertainment go hand in hand in the City of Kenosha.

To help ease my concerns; and in the event a license is issued for GiGhive, all 21 and over events that provide alcohol will have Kenosha's Finest, serving as off duty security.

Providing quality entertainment for all ages events without alcohol is still the priority at 616 58th ST.

Also the music venue is only one part of GiGhive brand. To support independent music and the artists that are a part of the organization, takes an entire infrastructure. Photography, recording, video production, web design, graphic design, web servers, bigger stages etc; eventually the business will have to grow to house these ventures in other locations throughout the City.
