

PUBLIC SAFETY & WELFARE COMMITTEE
- MINUTES -
Monday, June 1, 2009

The regular meeting of the Public Safety & Welfare Committee was held on Monday, June 1, 2009 in Room 202 of the Kenosha Municipal Building. The meeting was called to order at 6:30 pm. The following members were present: Chairman Jesse Downing, Alderman Donald Ruef, Kathy Carpenter, and Michael J. Orth. Alderman Stephen P. Casey was excused. Staff members in attendance were Ron Bursek and Jan Schroeder.

It was moved by Alderman Carpenter, seconded by Alderman Orth, to approve the minutes of the meeting held on Monday, May 11, 2009. Motion passed 4-0.

1. Request from Green Street (*Downtown Kenosha Organization*) for:
 - a. Banner in the Public Right of Way on 6th Avenue and 59th Street (*Bloomin' Days*) on June 5-6, 2009. (*District 2*) (*Staff recommends approval*)
 - b. Fly approximately 12 light pole banners on nearby light poles.
Public Hearing: Maria Caravati, Green Street Organizer, spoke.
Alderman/Staff: Ron Bursek stated that staff supported the placement of the overhead banner. Ron also provided more information by Maria Caravati about the light pole banners. Since the banners will be placed over current light pole banners and that there would be no wind load damage to the light poles, he recommended approval of the light pole banners.
It was moved by Alderman Ruef, seconded by Alderman Carpenter, to approve.

ADJOURNMENT - *There being no further business to come before the Public Safety & Welfare Committee, it was moved, seconded and unanimously carried to adjourn at 6:36 pm.*

TO: Public Safety and Welfare Committee
FROM: Kevin Risch, P.E., Deputy Director of Engineering KKR 6-4-09
SUBJECT: Request for Trial for Stop Control for WB 65th Street and 92nd Avenue which is a "T" Intersection

Alderman David Bogdala is requesting intersection control at the above intersection due to concerns being raised at neighborhood meetings. The intersection of 65th Street with 92nd Avenue is an uncontrolled intersection with 65th Street being the main entrance into the subdivision from CTH H (88th Avenue).

Staff recommends approval of a trial Stop Control for WB 65th Street and 92nd Avenue.

TO: Public Safety and Welfare Committee
FROM: Kevin Risch, P.E., Deputy Director of Engineering KKR 6-4-09
SUBJECT: Request for Trial for Stop Control for NB/SB 66th Street and 111th Avenue making it a 4-Way Stop

Alderman David Bogdala is requesting intersection control at the above intersection due to concerns being raised at neighborhood meetings. The intersection of 66th Street with 111th Avenue is currently stop controlled in the E/W direction. Since there is a park that exists on the west side of 111th Avenue residents are concerned with the children crossing this intersection.

Staff recommends approval of a trial Stop Control for NB/SB 66th Street and 111th Avenue.
