FROM: Rich Schroeder, Deputy Director, Community Development & Inspections 

RE: **Outdoor Dining Application for Loula's at 5537 6th Avenue**

DATE: June 9, 2016

The Department of Community Development & Inspections had requested deferral of this item at the May 31, 2016 meeting due to conflicts on the application regarding capacity and questions on the restrooms.

Staff met with the applicant and they are now proposing a maximum of sixteen (16) seats. Based on the current restrooms on the site, they would comply with City and State codes.

The following additional information is provided as it relates to the application:

- The Outdoor Dining Area application is for the use of the public sidewalk between the building and the public street. The plan indicates the use of up to eight (8) tables. The tables would be thirty (30") inches wide, each with two (2) chairs in multiple areas. The areas immediately adjacent to the building facade are three (3') feet wide by fifteen (15') feet and nineteen (19') feet long. The areas located near the street lights are four (4') feet by seven (7') feet and eight (8') feet by eight (8') feet. The four (4') foot pedestrian walkway separates the seating areas immediately adjacent to the building facades from the area near the street lights, and the two (2') feet curb clear zone is maintained.
- The Department of Public Works has a concern regarding accessibility of the bicycle parking rack and the pedestrian walkway. However, there are no standards for minimum clear zones around bicycle parking areas. To address this concern, the Committee may elect to require that the applicant not place any seating tables or chairs between the bicycle parking rack and the building. Another option may be to allow the use of the pedestrian walkway as access to the bicycle parking rack as the normal use of the bicycle parking rack should not conflict with ordinary pedestrian movements.

The application otherwise conforms to Section 5.046 of the Code of General Ordinances.

If you have any questions, please contact me at 262.653.4034 or via email at rschroeder@kenosha.org.
