Re: **Bond Schedule**

Dear Mayor Bosman and Members of the Common Council:

On your Agenda is a Bond Schedule for your approval.

Bond schedules such as this are required in order for the City to utilize the issuance of citations for violations of City Ordinances; without the ability to issue citations, a cumbersome summons and complaint procedure is necessary. Last year, the Kenosha Police Department and the Department of Neighborhood Services and Inspections together issued 15,614 citations, of which over 4,300 were for non-traffic, Ordinance violations.

The Bond Schedule has been in existence for over twenty-five years. Periodically, it is updated to keep pace with increases in State-imposed costs and to address new ordinances. The Bond Schedule foundation is that it provides consistency from person to person in any given year, and consistency of deposit from year to year. Moreover, the individual deposit amounts fit within an integrated framework (e.g., the deposit for battery is greater than the deposit for disturbance of the peace, which in turn is greater than that for littering).

Your adoption of the Resolution approving the Bond Schedule is requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Edward R. Antaramian'.

Re : 2009 Justice Assistance Grant (JAG) Program

The 2009 Edward Byrne Memorial Justice Assistance Grant program money was recently allocated to include a total of \$61,639 for the City of Kenosha. The grant requirements also indicated that "disparate jurisdictions" are required to submit a Memorandum of Understanding (MOU) in how the funds will be allocated. Kenosha County was identified as a disparate jurisdiction; therefore, the local agencies are responsible for determining individual allocations and documenting individual allocations in the MOU. The following allocations were agreed upon by the law enforcement agencies, Kenosha County Sheriff's Department \$25,334 and the Kenosha Police Department \$36,305.

The Kenosha Police Department intends to purchase 15 laptop computers to replace outdated computers currently in squads. The laptops will be used with the existing infrastructure for information sharing.

The department intends to purchase an overhead projection system for the patrol briefing room. The system would facilitate the presentation of information and training. The system will include an overhead projector, related audio and visual hardware and a wall mounted screen.

The department intends to purchase three sets of LED emergency lights for three of its police motorcycles. The LED lights would replace old, less effective lighting. The kits would increase visibility and therefore officer safety. The motorcycles are very active in traffic enforcement and community relations, increasing visibility is important to their continued utilization.

The department intends to purchase 10 additional Tasers for use by officers in the field. The ultimate goal is to have enough Tasers to have each officer on duty to be assigned one. The department also intends to purchase additional Taser cartridges for use during initial training.

This project allows the Kenosha Police Department to obtain equipment that it would not otherwise be able to acquire. The equipment requested is all intended to increase information exchange and officer safety.

The mission of the Kenosha Police Department is to serve all people with respect, fairness and compassion. We are committed to preserving peace, order and safety; enforcing laws and ordinances; and safeguarding constitutional rights.

The following is a Proposed Project Budget:

\$ 4,000	Overhead Projection System
\$ 9,225	3 Motorcycle LED Emergency Light Kits
\$ 7,700	10 Tasers
\$ 880	32 Taser Cartridges
<u>\$14,500</u>	15 Laptop Computers
\$36,305	TOTAL

The dollar amounts provided are estimates only, but are based on initial research of approximate cost. We are required to submit a proposed project budget and narrative during the initial grant submission. The dollar amount per item can be adjusted as long as the project description does not change.

I am requesting that you approve the Memorandum of Understanding for the 2009 Edward Byrne Memorial Grant Program. If you have any questions or need further information please let me know.
