Re: 22nd Ave. Mobile, Inc.  
Application for Class A Beer License  
My File No.: 10871GS

Dear Members of the Common Council:

On Monday, July 27, 2015, the agent of 22nd Ave. Mobile, Inc., Gurinder Nagra, appeared before the Kenosha Licensing and Permitting Committee to request the issuance of a Class A Beer License. At the time of the hearing before the Licensing and Permitting Committee, I was unable to be in attendance with Mr. Nagra despite my having worked with him in the past to rectify some issues that the company had with regard to its personnel and procedures during 2014.

The Licensing and Permitting Committee has referred this matter to the Common Council and it has been placed on your agenda for Monday, August 3, 2015. Accordingly, I am requesting that you refer 22nd Ave. Mobile, Inc.'s application back to the Licensing and Permitting Committee for further review and consideration of the efforts made by the applicant to qualify for the issuance of a Class A Beer License. Mr. Nagra has taken significant steps to establish procedures to assure that the operations at the station conform to the requirements of the law and I will help him present this matter to the Licensing and Permitting Committee so that a complete investigation of the issuance of license can be considered.

Thank you for your consideration to this request.

Sincerely,

KERSHEK LAW OFFICES

Ms. Hafner, thank you for your phone call. Attached is the summary of the law change regarding issuing "Class A" licenses for the sale of hard cider. The law change took effect on Tuesday(7/14). DOR sent this notice to the Wisconsin Municipal Clerks Association on Wednesday (7/15), and it was sent out in the WMCA monthly newsletter on Thursday (7/16).

-----  
Dear Municipal Clerk,

We wanted to provide you with information about a law change in the 2015-17 budget related to "Class A" liquor licenses.

The 2015-17 Wisconsin State Budget (2015 Act 55) provides that municipalities shall issue a "Class A" liquor license if both of the following apply:

- The "Class A" liquor license application is for sales limited to cider
- The applicant for a "Class A" liquor license also holds a Class "A" beer license for the same premises

The budget provision also defines "Cider" to mean any alcohol beverage that is obtained from the fermentation of the juice of apples or pears and that contains not less than 0.5 percent alcohol by volume and not more than 7.0 percent alcohol by volume. "Cider" includes flavored, sparkling, and carbonated cider.

The municipality may not charge any initial issuance fee or annual fee for a "Class A" liquor license issued under this provision.

The department has revised [Form AT-106](#) (original alcohol beverage license application) and [Form AT-115](#) (renewal application) to provide for a CLASS A (cider only) option. The department will soon be updating other forms, common questions and publications to include information regarding this law change.
