BY: COMMITTEE ON PUBLIC WORKS

TO ORDER THE COST OF PUBLIC SIDEWALK AND/OR DRIVEWAY APPROACH CONSTRUCTION AND/OR REPLACEMENT TO BE SPECIALLY ASSESSED TO ABUTTING PROPERTY

WHEREAS, on the 5th day of September, 2012, the Common Council of the City of Kenosha, Wisconsin, held a properly noticed Public Hearing and heard all persons wishing to be heard regarding public sidewalk and/or driveway approach construction, and/or replacement, at the cost of owners of parcels of property listed in a report on file in the Office of the Department of Public Works for the City of Kenosha, Wisconsin, which abut the following Streets:

Citywide Locations

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Kenosha, Wisconsin, that pursuant to the authority of Section 5.05 of the Code of General Ordinances, and Section 66.0627, Wisconsin Statutes:

1. The owner of each parcel described on file may have the sidewalk and driveway approach abutting said parcel constructed, repaired or replaced ("Work") prior to the start of work on their block, upon obtaining a proper permit under Chapter 5 of the Code of General Ordinances.
2. If the owner fails to complete such Work within the time specified, the Common Council shall cause the Work to be done at the expense of the property owner by contract let to the lowest responsible bidder, and the Work will be paid for by assessing the cost of the Work to the benefited property. Invoices for said Work will be sent out on

If the cost of Work is over One Hundred (\$100.00) Dollars, it may be paid in its entirety within thirty (30) days of receipt of invoice, and if not so paid, placed on the tax roll for a period of three (3) years at an interest rate of seven and one-half (7.5%) per annum. If not paid within the period fixed, such a delinquent special charge shall become a lien as provided in Section 66.0703(13), Wisconsin Statutes, as of the date of such delinquency, and shall automatically be extended upon the current or next tax roll as a delinquent tax against the property and all proceedings in relation to the collection, return and sale of property for delinquent real estate taxes shall apply to such special charge.

3. The Director of Public Works shall serve a copy of this Resolution on each property owner by publishing the same in the official newspaper, together with a mailing by first class mail to the owner, if their post office address is known or can be ascertained with reasonable diligence.

Subject: ***Requests to pave Lawn Park Area for Resurfacing Phase I - Project 12-1012***
3319 27th Avenue - Keri and Anthony Martin
3325 27th Avenue - Ronald Straszewski

BACKGROUND/ANALYSIS

As part of the Resurfacing Phase I (Project 12-1012) the plans call for the removal and replacement of various sections of curb and gutter and replacement of several driveway approaches. With the replacement of the driveway approaches at the above addresses, both property owners approached the project engineer and asked that the very small area between the two approaches be concrete instead of grass. Both driveways are only one car wide, and it is nearly impossible for cars going in and out of the driveways to stay off the small triangular shaped area. Sod in this area is ruined by the tire tracks and the snow piles.

In accordance with the policy directive from the Public Works Committee, all paved lawn park areas removed are required to be replaced with grass as called for in the ordinances. However, since the area is only about 10 square feet, the owners would like to just put plain concrete back, especially since there is no decorative concrete to match. As provided for in Section 5.051 of the Code of General Ordinances, the two property owners have submitted a joint written petition to the Public Works Committee to allow paving in the lawn park area between their driveway approaches.

RECOMMENDATION

Recommend that the petition from the two property owners be approved for replacing the existing triangular shaped grassy area with concrete. As usual, staff recommends that the abutting property owner be responsible for the incremental cost of the paving treatment in the lawn park area.

RE: Request for Approval to Replace Landscape on the Parkway with Concrete.

I, Ronald Straszewski, owner of 3325 27th Avenue and we, Keri & Anthony Martin, owners of 3319 27th Avenue are requesting for approval to replace the parkway landscape between our driveways on 27th Avenue with concrete. Having a concrete parkway will be convenient to maintain, and will improve the aesthetics between the driveways.

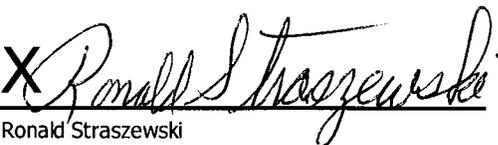

We homeowners would prefer to replace the parkway landscape between the driveways of 3325 and 3319 27th Avenue, as shown on the sketch. If you have any questions or need more information, please feel free to call us at:

CONTRACTOR receives, processes and markets recyclable waste received by CITY.

3. Term

The term of the Agreement shall be for a period of five (5) years effective January 1, 2012 and ending on December 31, 2016 and shall be extended for two (2) five year terms unless either party provides written notice of termination at least ninety (90) days in advance of the expiration date of the contract term then in effect. In the event there are enacted legislative changes in Wisconsin state law affecting the material delivery of services rendered or to be rendered by CONTRACTOR, or CITY terminates or makes material changes in its recycling program, then this AGREEMENT shall be subject to re-negotiation upon the party requesting re-negotiation providing at least thirty (30) days written notice to the other party of a commencement date for re-negotiation. The period for re-negotiation shall be no less than ninety (90) days. If agreement on material issues is not reached during the period for re-negotiation, this AGREEMENT may then be terminated by either party upon providing the other party with at least sixty (60) days written notice of the effective date of termination.

4. Assignment and Subletting

Notice of any such assignment or transfer shall be furnished promptly to the CITY.

5. Breach and Termination

5.1 Notice of Breach, Right to Cure and Notice of Termination

If through any cause either party shall fail to fulfill in timely and proper manner its material obligations under this AGREEMENT, or if either party shall fail to fulfill in a timely and proper manner any of the material covenants or stipulations of this AGREEMENT, then the non-defaulting party shall give written Notice of Breach to the defaulting party, identifying the breach and specifying the corrective action to be taken within a reasonable specific time. If the defaulting party fails to take such corrective action the non-defaulting party shall thereupon have the right to terminate this AGREEMENT by giving a thirty (30) day written Notice to the defaulting party of such termination and specifying the effective date thereof. Should the non-defaulting party waive its right to terminate this agreement for cause on one or more occasions, such waiver shall not preclude the non-defaulting party from exercising such right at any time in the future. Termination in the situations set forth in subsection 5.2 shall require compliance with the specific conditions set forth therein. There shall be no other termination or cancellation of this AGREEMENT during its term, without the prior written consent of both parties unless specifically permitted otherwise herein.

5.2 Specific Conditions

5.2.1 Billing Disputes as to Fees

In the event of a dispute as to any bill for service fees, excluding obvious errors or miscalculations, the challenging party shall nevertheless pay the full amount of the disputed charges when due and shall, within (15) days from the date of the disputed bill, give written notice to the responding party, stating the amount in dispute and setting forth a full statement of the grounds on which the dispute is based. The responding party shall not be obligated to make any adjustments for disputed amounts until such notice is given. If amounts remain unresolved and unpaid fifteen (15) days after notice is received, the parties may litigate the dispute.

5.2.2 Reports and Copies of Documents

5.2.2.1 Monthly Operating Reports Required in Schedule C

If the CONTRACTOR does not submit timely and adequate Monthly Operating Reports required in Schedule "C", the CITY shall give the CONTRACTOR written Notice of the Delinquency requiring their submission within five (5) working days from the date of receipt of such Notice. The provisions of this subsection, affording the CONTRACTOR the opportunity to cure and submit delinquent Monthly Operating Reports, shall only be available to the CONTRACTOR three (3) times during any continuous 12-month period during the term of this AGREEMENT. In addition, if the CONTRACTOR fails to comply within the five (5) day Notice herein or continues to be delinquent after three (3) previous opportunities to cure within the same 12-month period, such failure shall constitute an incurable breach and the CITY may, but is not required to, proceed to

terminate this AGREEMENT on thirty (30) days advance notice, specifying the effective date thereof. In such event the CITY shall be entitled to the recoverable damages set forth in Schedule "A", paragraph I.F.1., and the CONTRACTOR shall have no further opportunity to cure.

5.2.2.2 Other Reports Required in Schedule C

If the CONTRACTOR does not submit the other reports required in Schedule "C" in a timely and adequate fashion, the CITY shall give the CONTRACTOR written Notice to Submit Deliverables requiring their submission within five (5) working days from the date of receipt of such Notice. Failure to comply with the Notice shall result in the payment of charges according to the following schedule:

<u>Number of Days Elapsed After Receipt Date of Notice and City's Receipt of Submission</u>	<u>Late Charge</u>
5 days or less	No Charge
6 days but less than 20 days	\$150.00
20 days but less than 30 days	\$250.00
30 days but less than 45 days	\$500.00
45 days but less than 60 days	\$1,000.00
60 or more days	\$2,000.00 plus \$100.00 for each day after 70 days, with the option of termination.

Late charges shall be paid within 15 days of date of delivery (paragraph 17) of invoice which shall be submitted to the CONTRACTOR following each period set forth above, all such periods to be separate and cumulative.

Notwithstanding anything to the contrary herein, the CITY shall be entitled to terminate this AGREEMENT if at any time during the term of this AGREEMENT the CONTRACTOR shall fail to file with the CITY the required annual affirmative action report more than 90 days after a Notice to Submit Affirmative Action Plan is received by CONTRACTOR, and such termination remedy is in addition to the late charges provided for in this subsection.

5.2.3 Violations in Acceptance and Receipt of Materials

This subsection is intended to address instances and practices wherein the CONTRACTOR accepts materials in contravention of this AGREEMENT; each such instance shall constitute a violation. If the CITY makes a determination that on three (3) occasions during the same continuous 12-month period the CONTRACTOR has violated

the same provision of schedule "A" in the acceptance and handling of deliveries, whether as to acceptability of materials, contamination, weighing, unloading, material storage or otherwise, the CITY shall send written Notice of Noncompliance to the CONTRACTOR. Such Notice shall contain a description of the violation(s), corrective action to be taken and a reasonable time for the CONTRACTOR to rectify and remedy its operations so that subsequent violation(s) do not occur. During the term of this AGREEMENT, the CONTRACTOR shall not have the above- described right to rectify and remedy, upon Notice of Noncompliance, a subsequent violation of the same provision more than twice during the same continuous 12-month period, unless at least twelve (12) months have elapsed since the prior violation, or, in the reasonable opinion of the CITY, the violation is minor, in which case the CITY shall issue additional Notices requiring corrective action. The CONTRACTOR'S failure to comply with the Notice to cure breach or subsequent violation(s) by the CONTRACTOR under this subsection shall constitute a breach of this AGREEMENT and the CITY shall thereupon have the right to terminate this AGREEMENT on thirty (30) days advance written notice, and the CONTRACTOR shall have no opportunity to rectify and remedy future violations. In addition to termination, the CITY shall be entitled to the recoverable damages set forth in Schedule "A", paragraph 1.F.1.

5.2.4 Delivery of Infectious or Medical Wastes and Toxic or Hazardous Substances

The CITY shall make every attempt to prevent the delivery of Toxic and Hazardous Substances, including Infectious or Medical Wastes, at the MRF by the CITY employees, agents and subcontractors. The CITY shall not be responsible for the delivery of Infectious or Medical Waste and Toxic and Hazardous Substances at the MRF by other USERS. The CONTRACTOR will reject the delivery and notify the USER and the CITY within 2 hours in the event of an attempted or completed delivery of an Infectious or Medical Waste and Toxic or Hazardous Substance to the MRF, so that the USER may remove and dispose of the Infectious or Medical Waste and Toxic or Hazardous Substance. If the CONTRACTOR is unable to identify the USER that delivered such waste, CONTRACTOR shall properly handle all Toxic and Hazardous Substances which are delivered to the MRF. Such handling will be in compliance with all applicable laws, regulations and requirements. Willful acceptance of Infectious or Medical Wastes and Toxic or Hazardous Substances by the CONTRACTOR shall constitute breach and the CITY shall thereupon have the right to terminate this AGREEMENT, without notice and without opportunity to cure. The CITY shall also be entitled to recoverable damages including those set forth in Schedule "A", paragraph 1.F.1., subject to the right of CONTRACTOR to challenge the CITY'S determination that CONTRACTOR'S acceptance was willful. The CITY, including officers and employees, shall not be responsible or liable for any liability, claim, attorney fees, loss, damages or expenses, by whomever incurred or sustained, in connection with the delivery, acceptance, or handling of any Infectious or Medical Waste and Toxic or Hazardous Substances by any other USERS, and the CITY and its officers and employees shall be indemnified and held harmless against same, except to the extent such loss of damage relates from the acts or omissions of the CITY, its Agents, employees and subcontractors.

5.3 Compensation and Liability

In the event the CITY terminates this AGREEMENT for reason of breach by the

CONTRACTOR, the CONTRACTOR shall be entitled to receive just and equitable compensation, subject to any recoverable damages or charge, for any satisfactory work completed. Notwithstanding the above, the CONTRACTOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of any breach of this AGREEMENT by the CONTRACTOR, and the CITY may withhold any payments to the CONTRACTOR for the purpose of set-off of such payments against unsatisfied obligations of CONTRACTOR or damages sustained by CITY.

6. Payment for Services

The CITY agrees to make such payments for services rendered under this AGREEMENT as and in the manner specified in the attached Schedule "B" , incorporated herein by reference.

7. Reports required by Schedule "C"

The CONTRACTOR agrees to make such reports as are required in the attached Schedule "C", incorporated herein by reference. With respect to such reports it is expressly understood that time is of the essence and that the failure of the CONTRACTOR to comply with the time limits shall be governed by subsection 5.2.2.1 and 5.2.2.2 of the AGREEMENT.

8. Diligence and Competence

The CONTRACTOR shall diligently commence, carry on and complete its obligations under this AGREEMENT with all deliberate speed and in a professional, competent, sound, economical and efficient manner, in accordance with this AGREEMENT and all applicable laws. In providing the recycling facility and services under this AGREEMENT, the CONTRACTOR agrees to cooperate with the various departments, agencies, employees and officers of the CITY and with any agencies of the Federal and State governments having jurisdiction thereof.

9. Employees

The CONTRACTOR agrees to secure at the CONTRACTOR'S own expense all personnel necessary and adequate to carry out the CONTRACTOR'S obligations under this AGREEMENT, in accordance with the CITY oversight provisions for key personnel in Schedule "A". Such personnel shall not be deemed to be employees of the CITY.

10. Indemnification

10.1 To the fullest extent permitted by law, the CONTRACTOR shall indemnify, defend, and hold harmless the CITY, its boards, commissions, agencies, officers, employees and representatives from and against any and all liability, judgments or claims for damages, losses, expenses, death or injury to persons, or property, relating to, or resulting from:

- (1) Any violation of any provision of this AGREEMENT by the CONTRACTOR or its agents, employees, officers, directors, consultants and shareholders;
- (2) any act, neglect, omission or conduct, whether negligent, willful or otherwise, of the CONTRACTOR or its agents, employees, officers, consultants, directors and shareholders in connection with the CONTRACTOR'S furnishing the MRF and services required under this AGREEMENT;
- (3) any event or occurrence related to or connected with the CONTRACTOR furnishing

the MRF recycling facility and the services required under this AGREEMENT. The provisions of this section shall not apply to any liabilities, losses, charges, costs, or expenses to the extent caused by or resulting from the willful acts or willful omissions or neglect of the CITY, its agencies, boards, commissions, officers, employees or representatives. The expenses recoverable as a part of the CONTRACTOR'S indemnity obligations under this section shall include, without limitation, all reasonable attorneys fees and any cost incurred by the CITY in the enforcement of the provisions of the CONTRACTOR'S indemnity obligations. All of CONTRACTOR'S indemnity obligations in this agreement shall survive the expiration or earlier termination of this AGREEMENT.

10.2 The CONTRACTOR expressly releases the CITY, its boards, commissions, agencies, officers, employees and representatives from any and all responsibility, liability or claims for any damages, losses, costs, expenses, arising out of, relating to, or resulting from any delivery, acceptance, or handling of Infectious or Medical Waste and Toxic or Hazardous Substances at the MRF except to the extent such loss or damage relates from the acts or omissions of the CITY, its Agents, employees and subcontractors. This release shall survive the expiration or earlier termination of this AGREEMENT.

10.3 In addition, the CONTRACTOR shall indemnify, defend, and hold harmless the Municipal Agents, employees and subcontractors, their boards, commissions, agencies, offices, employees and representatives from and against any and all liability, judgments, claims for damages, losses, expenses, death or injuries to persons, damage to or loss of property, arising out of Infectious or Medical Waste and Toxic or Hazardous Substances at the MRF except to the extent such loss or damage results from the acts or omissions of the Municipal Agents, employees and subcontractors.

11. Insurance

11.1 Coverage

The CONTRACTOR agrees that it will at all times during the term of this AGREEMENT keep in full force and effect comprehensive general liability, contractual liability, and auto liability insurance policies, issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Office of the Commissioner of Insurance, with liability coverage provided in the amounts of at least \$5,000,000.00 CSL (Combined Single Limits). The CONTRACTOR also agrees that at all times during the term of this AGREEMENT it will keep in full force and effect environmental impairment insurance coverage and sudden and accidental pollution insurance coverage in the amounts of \$1,000,000.00 per occurrence and \$1,000,000.00 aggregate for each type of environmental insurance policy. All coverage afforded shall apply as primary, with the CITY, its boards, commissions, agencies, officers, employees and representatives as an additional insured. The policy shall also contain a clause that, in the event the policy is canceled for any reason or material changes are made therein, the Department of Public Works shall be notified, in writing, by the insurer at least thirty (30) days before any cancellation of change takes effect. The CITY reserves the right to reasonably increase the minimum liability insurance requirements set forth herein upon furnishing sixty (60) days advance written notice to CONTRACTOR, and CONTRACTOR shall comply with said request. Failure to keep in full force and effect the insurance coverage required herein shall constitute breach of this AGREEMENT and the CITY may terminate this AGREEMENT by giving CONTRACTOR a thirty (30) day written notice of termination specifying the effective date

thereof. In the event of termination, the CITY shall be entitled to recover its damages, including those damages specifically set forth in Schedule "A", paragraph 1.F.1.

11.2 Notice

11.2.1 Notice of cancellation or non-renewal of insurance

The CITY Director of Public Works shall be given thirty (30) days advance notice of cancellation or non-renewal of the insurance coverage during the term of this AGREEMENT. The CONTRACTOR shall seek appropriate insurance required herein to become effective at the expiration of the canceled or non-renewed policy. In the event that the CONTRACTOR is unable to secure such coverage, the CITY shall be notified and shall be entitled to terminate the AGREEMENT by giving CONTRACTOR written notice of termination effective on the date insurance coverage will lapse. In the event of termination, the CITY shall be entitled to recover its damages, including those damages specifically set forth in Schedule "A", paragraph 1.F.1.

11.2.2 Failure of City to furnish notice

In the event any action, suit or other proceeding is brought against the CITY upon any matter, failure of the CITY to furnish notice shall not result in any loss or waiver of the CITY'S rights under this AGREEMENT, if the CONTRACTOR otherwise has actual or constructive notice.

11.3 Proof of insurance

Upon execution of this AGREEMENT, the CONTRACTOR shall furnish the CITY Director of Public Works with certificates of insurance, and, upon request, certified copies of the required insurance policies. If the CONTRACTOR'S insurance is underwritten on a Claims-Made basis, the Retroactive Date shall be prior to or coincide with the date of this AGREEMENT and the Certificate of Insurance shall state that coverage is Claims-Made and indicate the Retroactive Date. The CONTRACTOR shall maintain coverage for the duration of this AGREEMENT. The CONTRACTOR shall furnish the CITY, annually, proof of payment and a Certificate of Insurance as evidence of compliance with its obligations hereunder. Subject: ***Resolution To To Establish a 5% Administrative Handling Fee and Discounted Rate for the Sale of City of Kenosha Bulk Waste Tickets by Independent Third Party Vendors***

BACKGROUND/ANALYSIS

Resolution 161-09 established an administrative fee of 2.5% for third party vendors to handle the sale of bulk waste tickets. The vendor(s) providing the service have proposed to streamline the process to minimize city staff time required to deal with the bulk ticket reimbursement. But it requires some additional commitment on their part. The proposal calls for the vendor to pay for the bulk tickets in advance. The revised program will still allow the vendor to have the 2.5% administrative fee, as well as the privilege of purchasing the tickets at 2.5% discount rate for a total of \$0.35 per ticket purchased. Once implemented, this program will reduce the staff time needed to process the tickets and reimbursement payment, resulting in efficiencies for Public Works staff.

RECOMMENDATION

Recommend that the Public Works Committee approve the language of the resolution and recommend to the Common Council that the resolution be adopted.

RESOLUTION NO. _____

BY: MAYOR

To Establish a 5% Administrative Handling Fee and Discounted Rate for City of Kenosha Bulk Waste Tickets Purchased for Sale by Independent Third Party Vendors

WHEREAS, Resolution 160-09 established a volume based charge of \$7.00 per cubic yard and Resolution 161-09 established a 2.5% Administrative handling fee for the sale of City of Kenosha bulk waste tickets by third party vendors; and

WHEREAS, this program has worked well but has an administrative burden on both the city and the vendors; and

WHEREAS, sales outlets for bulk waste tickets continue to provide a valuable and convenient service for the City of Kenosha citizenry;

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Kenosha, Wisconsin that effective September 10, 2012, all approved independent third party vendors will pay for bulk waste tickets in advance at a discounted rate of 5%, or \$.35 per ticket purchased, 2.5% of this rate being the administrative handling fee and 2.5% being a discounted rate for prepayment of tickets purchased from the city to be sold at their locations.
