Re: Class "A" Beer License

Location: Walgreens #03153
3820 52nd St.,
Kenosha, WI 53144

To Whom It May Concern:

Walgreens decision to reenter the market for adult beverage is a direct response to consumer demand. These products have become part of the American mainstream, with the growth of the Food Network and other popular culinary TV shows and magazines emphasizing pairing food with beer and wine. Our convenient locations, as well as our reputation as a responsible retailer, will make us an attractive alternative for adult beverage sales. We've noticed significant sales increases in the stores where we've begun selling.

Walgreens will provide a safe, responsible and trusted atmosphere for residents to purchase these products. Sales of adult beverage at our stores will also produce sales tax revenue that will bolster local municipal budgets. We have controls in place to protect the safety of employees and customers as well as the security of our merchandise. We also have controls in place to ensure that these products are not purchased by minors as well as ensuring no purchases of adult beverages before or after legal hours.

These products will make up a small portion of our total sales and will not rely on these sales to stay in business. Our limited selection of these products is meant to provide convenience to our customers. We'll also be a good destination for people who do not feel comfortable shopping traditional liquor stores. As a pharmacy, we have a lot of experience selling regulated products and complying with laws governing them. This expertise will ensure lawful adult beverage sales.

We have the support from Alderman Daniel Proznski Jr. and Alderman Curt Wilson as well as support from Mayor Bosman.

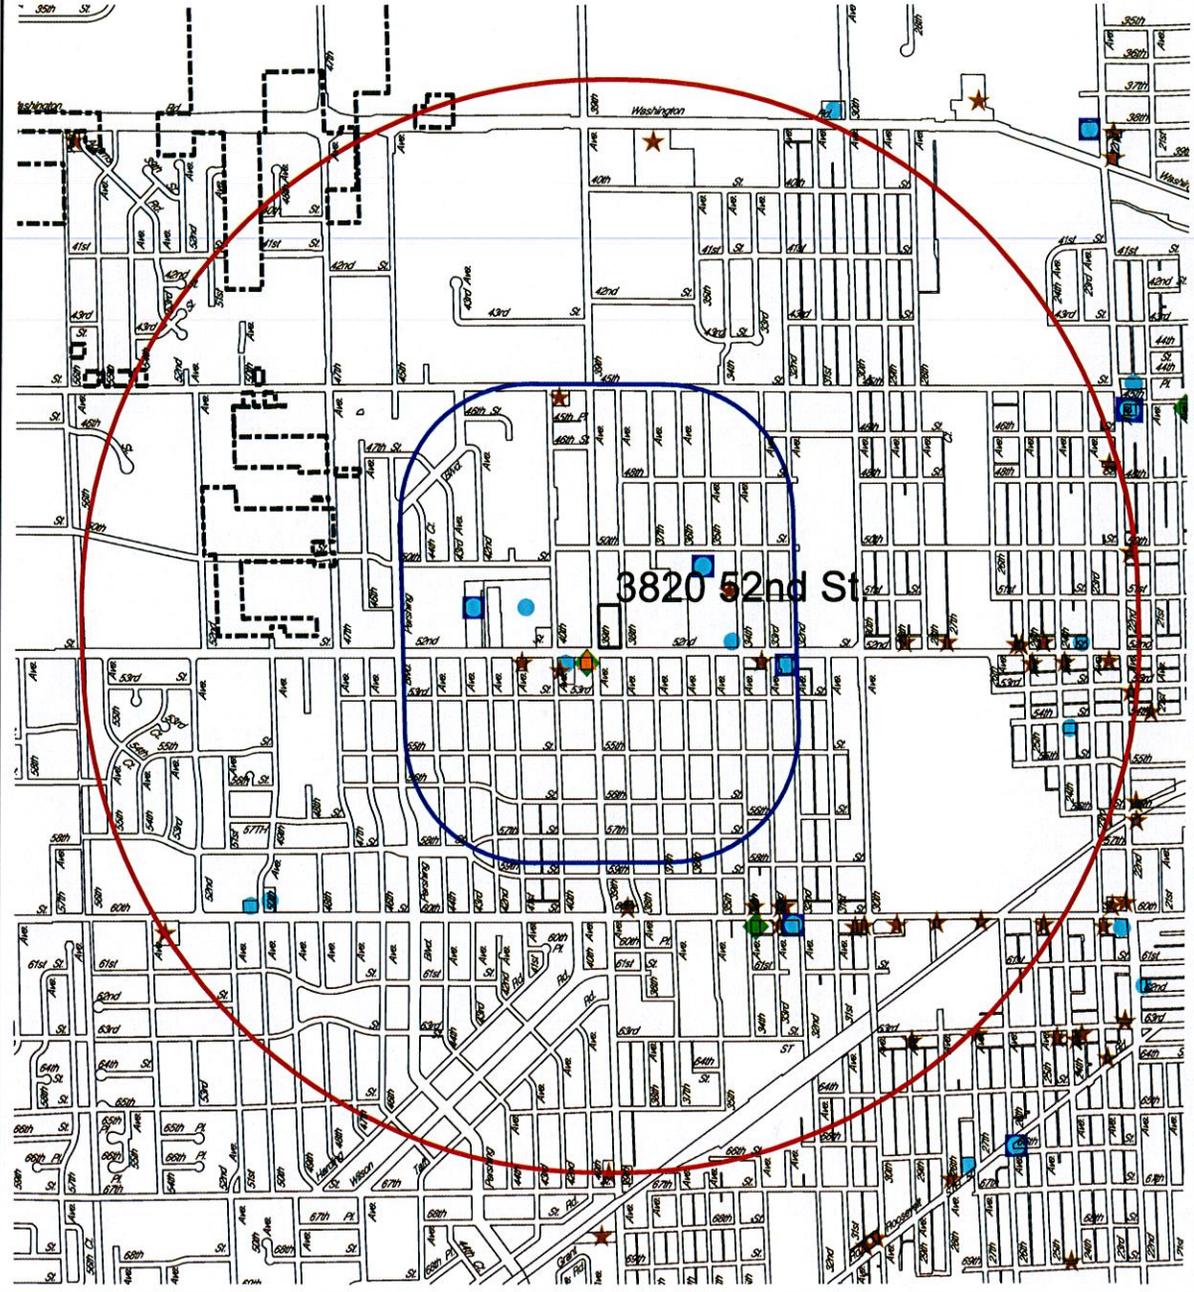

We hope that you will grant us the special exception, and if you have any other questions or require additional information, please do not hesitate to contact me.

Thank you for your attention and cooperation regarding this matter.

Sincerely,
Walgreen Co.
