To whom it may concern:

I am writing as a witness to the growth and maturity of Jessica Lambin. I have known her for two and a half years, and I can testify to her advancement. She was a part of my team as just an employee. Then a year and a half ago she started coming in with a new attitude and performed every duty assigned to her with the highest quality. She was promoted by both me and our General Manager (Jennifer Miller) to a Journey Leader. She has been promoted again, for going on two months, and is now a part of my management team.

Jessica has shown her maturity and dedication to our company through her long and hard journey to management, and now that she has made it to this level it is a necessity for her to have a liquor license. I understand that mistakes have been made, however; Jessica has come a long way since then. I believe that she is a hard working individual, and I would hate for her to lose out on this opportunity because of a poor choice made years ago when she was less than she is now.

I want to attest to the fact that Jessica is a more responsible, trustworthy, and sharpened person. She is a great asset to my management team and deserving of a second chance. If you need to contact me please feel free to do so.

Respectfully yours,

Dianna Figueroa

To Whom It May Concern:

Jessica Lambin had asked if I would write a letter of recommendation for her regarding how she has changed over time. I have known Jessica since February 2006 at which time her parents brought her to see me for psychotherapy as a young teenager. She was brought in initially with issues of depression and poor self-esteem. In 2007 after completing a psychological evaluation, she was diagnosed with Bipolar Disorder. During early treatment and through the next several years, Jessica struggled with impulsive behaviors and poor choices when the Bipolar was not stabilized. After many different trials of medication, continued therapy, and maturity, Jessica's behavior and emotions have stabilized over the last couple years. Jessica has worked on maintaining stable employment, furthering her education, and continuing to be compliant with on-going treatment. She continues to set goals for herself such as gaining valuable management experience that would help her with future employment, as well as obtaining her degree. I did not hesitate to write this letter of recommendation for Jessica as I have observed many changes over the years of knowing her. Thank you for your time and attention to this letter.

Respectfully Submitted,

To Whom it May Concern:

Scott has asked me to write a letter to you indicating what I know about him.

I have known Scott for ~~years~~ ^{a long time}, and been in a personal relationship with him as his girlfriend for about 9 months.

Scott is an amazing person who never stops thriving for improvement. Anyone who knows him is aware that he is a very caring individual who tends to put others needs before his own. As his girlfriend I know that this is a part of him that makes him happy. He is genuinely happy + most productive when he is doing for others.

Our neighbors love him for all his efforts to make our neighborhood safer, cleaner and overall more desirable. He maintains lawns for some of the senior citizens for free + ~~often~~ often does repairs on homes + cars just to help out. The kids in the neighborhood call him Mr. Scott, and are always hanging out in our yard. Many of the kids are without any adult supervision

Recently at our garage sale one of the young boys was caught stealing something from our sale. Instead of telling the kid to go home, Scott gave the kid some projects to do. One of which was picking up garbage in the alley. The boy thought it was a punishment at first, but when he was done Scott gave him the item he stole. The kid wanted more projects to do + said he'd do it free. Instead, Scott found things for him to do for our neighbor, and paid the boy out of his own ~~project~~ pocket.

This is just a small example of what kind of a person Scott is. I think it speaks volumes to his character, and many people should learn from his compassion + willingness to make the most of every situation.

If you have any questions, feel free to ask me. I am glad to assist you in making the positive conclusion that Scott should have his Taxi License. His perfect driving record, and great social skills will make him a great asset to the CAB Co. Sincerely,

Applicant Name Adrian Viveros Business Name LOS TAQUITOS INC.
Property Information: Address 2105 22ND AVE Owner MICHAEL SPALCINO

8. Explain how the issuance of this license will benefit the City:

LOS Taquitos has served Kenosha for almost ten years. We have worked diligently to ensure our business is up to code. This license would help us provide an even richer, authentic Mexican dining experience.

9. Explain why the business will have a substantial positive impact upon the surrounding properties:

Because the business is located on a plaza, all the surrounding properties will benefit from our increased business. As we benefit from our neighbors, attracting more business will also provide more exposure to the other businesses in the plaza.

10. Explain why the business have a significant, positive influence on the City economy:

If Los Taquitos secures this license, we will spur greater competition among Mexican restaurants in Kenosha. We have consistently placed as second or first among Mexican restaurants for five years, and further competition would help us stimulate the economy.

11. Has the applicant contacted the alderperson of the district where this business is located?

Yes

12. List other factors the Common Council should consider:

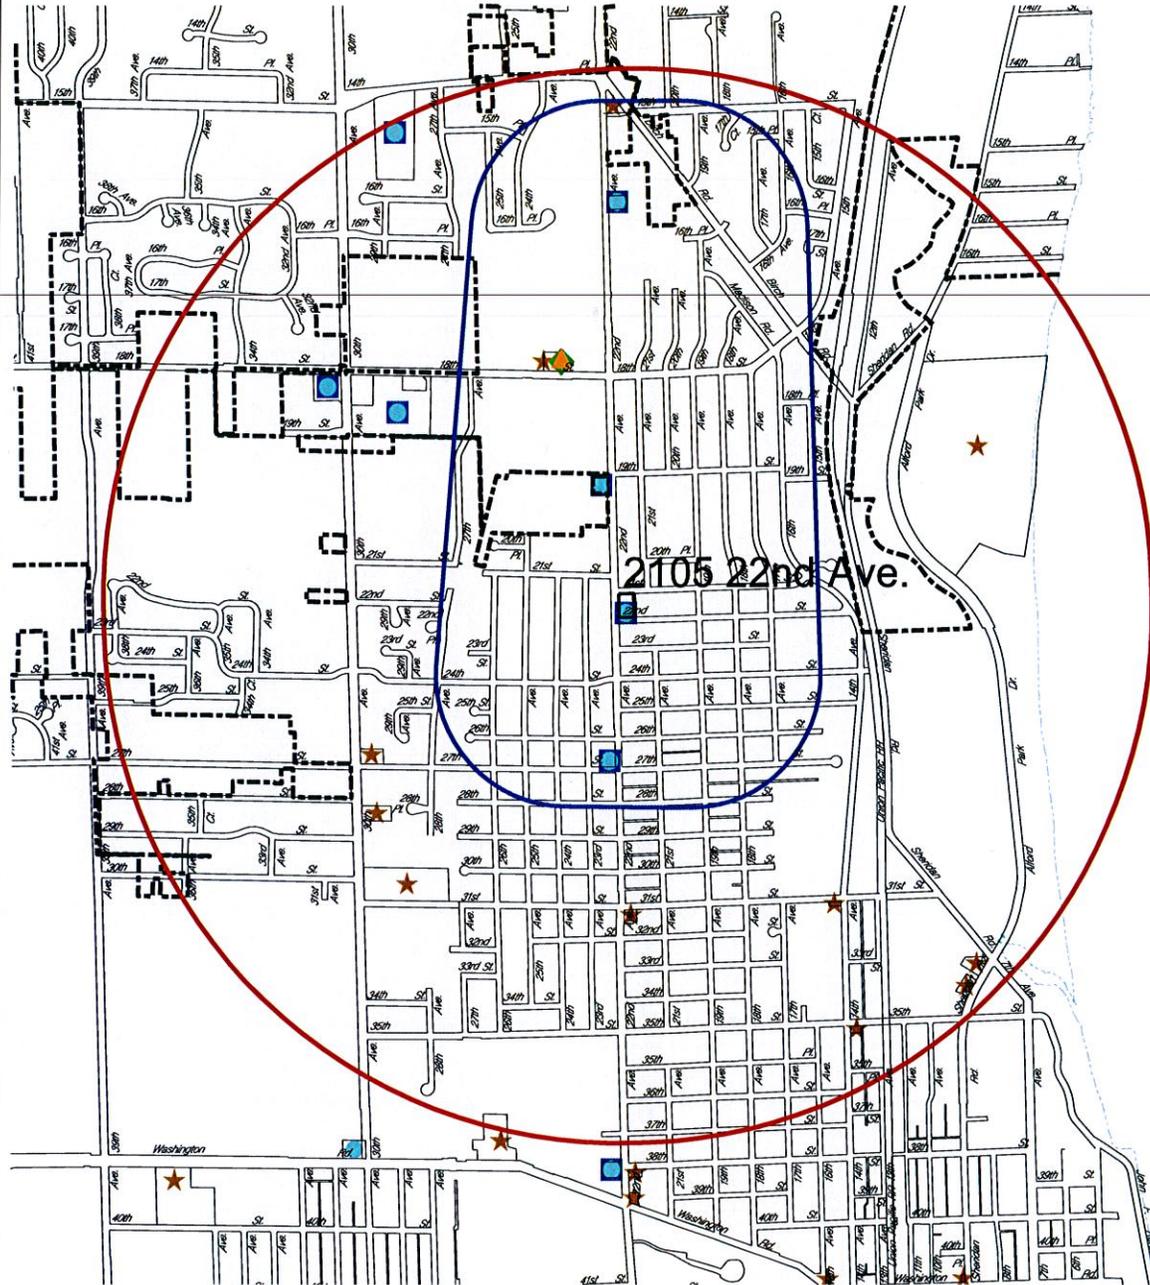

We are a family owned and operated business. The owners have lived in Kenosha for over ten years, and we have contributed to the city any way we have been able to. Our business has grown gradually over the years and we have consistently outperformed our competitors to earn rave reviews on Yelp and Trip Advisor. However, many of our customers have expressed that they believe their experience would improve if we could offer alcoholic beverages. We always seek to keep our customers happy, while being mindful of the city's codes. This license would allow us to grow to the next step.
