Subject: ***Request for Street Renaming***
6th Avenue from 49th Street to 59th Street

BACKGROUND/ANALYSIS

Renewing community interest in the downtown area is a constant concern for the downtown businesses. Continuing that trend could be helped with a new old identity for the main north-south corridor street through the central business district. At one time, 6th Avenue was actually named "Main Street", and some have shown an interest in returning the current 6th Avenue to its original name.

RECOMMENDATION

This item will require an ordinance change. If the Committee wishes to move it forward, it will require a sponsor and referral to the City Attorney's office to draft the necessary ordinance.
