PLUMBING INFORMATION

1. WHEN IS A PLUMBING PERMIT REQUIRED?

Permits are required for all new and all replacement fixtures, drains, vents, water systems, sanitary sewer taps and drain lines, storm water sewer taps and drain lines, and water service lines.

2. WHAT REGULATIONS MUST I MEET?

All work performed must be in accordance with the Department of Safety & Professional Services (DSPS), Chapters 380-387.

Contact the following agency to order a copy of the code:
Wisconsin Department of Document Sales and Distribution 1.800.362.7253

For information pertaining to water metering and sanitary sewers contact:
The Kenosha Water Utility
4401 Green Bay Road
Kenosha, WI 53144
262.653.4300

3. WHO CAN PERFORM PLUMBING WORK?

All plumbing work shall be performed by a Wisconsin-licensed Master Plumber, Journeyman Plumber, or a registered Apprentice Plumber.

4. HOW DO I OBTAIN A PERMIT?

If your work is being completed by a licensed plumber, he/she will be responsible for obtaining all plumbing permits. However, it is the property owner's responsibility to verify a plumbing permit has been obtained and a final inspection has been successfully completed by the plumbing inspector.

5. INSPECTIONS REQUIRED (24-hour minimum notice)

Contact the Department of Community Development and Inspections at 262.653.4263.
