

Enforcement Procedures and Consequences for Non-Compliance with Erosion and Sediment Control Standards and Ordinances

Any one, or a combination of the following shall be used to assure compliance with all erosion and sediment control standards and ordinances:

- Notice to comply within 24-72 hours
- Reinspection fees imposed at the following levels:
 - \$60.00 - first reinspection
 - \$90.00 – second reinspection
 - \$180.00 – third reinspection
 - \$360.00 – fourth and subsequent reinspections
- Withholding of further building, plumbing, and electrical inspections on project until compliance is achieved
- Issuance of “Stop Work” order on project
- Withholding of permits until compliance is achieved
