I agree to comply with all applicable codes, statutes, and ordinances, and with the conditions of this permit; understand that the issuance of the permit creates no legal liability, express or implied, on the state or municipality; and, certify that all the above information is accurate. If I am an owner applying for an erosion control or construction permit, I have read and signed the attached cautionary statement. I expressly grant the building inspector, or the inspector's authorized agent, permission to enter the premises for which this permit is sought at all reasonable hours and for any proper purpose to inspect the work which is being done.

Note to Property Owners:

If the owner of the property is listed as the contractor, a license is not required; however, the attached "Cautionary Statement" must be signed by the property owner.

CITY OF KENOSHA
Department of Neighborhood Services and Inspections

CAUTIONARY STATEMENT TO OWNERS OBTAINING BUILDING PERMITS

101.65(lr) of the Wisconsin Statutes requires municipalities that enforce the Uniform Dwelling Code to provide an owner who applies for a building permit with a statement advising the owner that:

If the owner hires a contractor to perform work under the building permit, and the contractor is not bonded or insured as required under S.101.654(2)(a), the following consequences might occur:

- a) The owner may be held liable for any bodily injury to or death of others or for any damage to the property of others that arises out of the work performed under the building permit or that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.
- b) The owner may not be able to collect from the contractor damages for any loss sustained by the owner because of a violation by the contractor of the one- and two-family dwelling code or an ordinance enacted under Sub.(1)(a) because of any bodily injury to or death of others or damage to the property of others that arises out of the work performed under the building permit or because of any bodily injury to or death of others or damage to the property of others that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.

Owner's Signature: _____ Date: _____

ADDITIONAL RESPONSIBILITIES FOR OWNERS OF PROJECTS DISTURBING ONE OR MORE ACRE OF SOIL

I understand that this project is subject to Ch. NR 151 regarding additional erosion control and stormwater management and will comply with those standards.

Owner's Signature: _____ Date: _____

PERMIT ISSUED SUBJECT TO THE FOLLOWING

- 1. Work shall be started within sixty (60) days of the issue date, or permit becomes **expired**.
- 2. Permit expires **six months to one year** after the issue date. See Department for details.
- 3. Fee for permit issued after work has commenced will be **two (2) times** the normal rate.
- 4. The applicant shall be responsible for obtaining the permit for the proper address. A permit is not transferable to another address.
- 5. Permits issued for razing buildings shall become null and void if work is not commenced and completed within thirty (30) days, or as stated.
- 6. All plumbing, electrical, and HVAC work shall be done by licensed contractors under proper permits.
- 7. Remodeled/renovated basement areas are not to be used as sleeping areas; unless in accordance with residential one- and two-family alteration and remodeling standards.
- 8. The applicant assumes full responsibility for proper location of property lines and the proper building/structure location from property lines.

**OCCUPANCY CHECKLIST
 FOR COMMERCIAL, INSTITUTIONAL, MANUFACTURING, AND MULTI-FAMILY
 NEW CONSTRUCTION AND ADDITIONS**

Note: This form must be presented to the building inspector at the time of final inspection.

The purpose of the occupancy checklist is to insure that all work and conditions necessary to obtain a Certificate of Occupancy (CO) have been completed. Upon issuance of the permit, this occupancy checklist shall be affixed to the interior of the front door of the building. Prior to the scheduling of the final inspection with the building inspector, the box adjacent to each listed code requirement must be checked, thereby signifying it has been completed; and, the checklist must be signed at the bottom. If these procedures are not followed, the final inspection will not be conducted; and, a reinspection fee will be assessed.

Address of Property

Required Department Approvals:

- City Development approval received
- Assessor Office approval received
- Fire Prevention Bureau approval received
- Kenosha Water Utility approval received
- Public Works approval received
- Parks approval received
- Zoning approval received
- Storm Water Utility approval received

Site Conditions:

- Soil stockpiles removed from site
- Site stabilized with seed/sod or erosion control matting
- Site graded to meet approved grading plan
- Temporary erosion control measures removed

Required Construction Approvals:

- | | |
