SUBJECT: City of Kenosha Project #08-1019
Joint, Crack Cleaning and Sealing

To Whom It May Concern:

Subsequent to the formal bid opening for the above referred project, it came to our attention that a bid from American Pavement Solutions was sent to the City of Kenosha by FedEx and received by the City of Kenosha City Clerk's Office at 11:50AM on July 9, 2008; bids were publicly opened and read at 2:00PM. However, the bid was not routed to the Public Works office until approximately 8:15AM on July 10, 2008.

Due to the time of receipt by the City, the submission of American Pavement Solution's bid has been accepted as timely. The bid was opened in the office of the City Attorney at 8:30AM on July 10, 2008.

Updated bid tabs are on the City of Kenosha website.

If you have any questions regarding this matter, please contact Cathy Honeyager at (262) 653-4057.

Sincerely,

Michael M. Lemens, P.E.
Director of Engineering / City Engineer
